1	I don't know what these mean. Adventure??	4/24/2016 1:59 PM
2	I do not know what these terms mean "adventure, natural, modern" and cannot place an accurate vote with more details	4/20/2016 9:47 AM
3	Something that adds to the natural environment, and really allows the kids to climb	4/20/2016 9:35 AM
4	both adventure & natural mix would excite children, keeping with Discovery Parks natural/earth learning as well. Perfect mix.	4/19/2016 5:12 PM
5	natural, reclaimed wood.	4/10/2016 11:26 AM
6	Natural and sensory	4/9/2016 10:05 AM
7	One with the zipline. Style is less important.	4/8/2016 10:51 PM
8	Safety is a huge priority. Meaning low injury risk and materials that are not toxic or treated with toxic material.	4/8/2016 10:15 PM
9	Variety of experiences would be best: Natural, Adventure, Sensory all sound great	4/8/2016 9:43 PM
10	skatepark	4/8/2016 9:17 PM
11	play structure similar to Seattle Center, Richmond Nature Park or like Copenhagen's designer Monstrum	4/7/2016 7:40 PM
12	natural look but the same challenging features the modern ones have - like the one near madison beach	4/7/2016 5:56 PM
13	similar to Seattle center	4/7/2016 4:50 PM
14	One that allows for a wide variety of use by children with a wide variety of abilities.	4/7/2016 4:15 PM

15	The kids love the zip line the best. An adventure component would be good, or something to incorporate nature like a treehouse.	4/6/2016 7:08 PM
16	I'm not sure I understand the difference between some of these. I suppose I'd say "traditional" as at Ella Bailey, Karen's Place, Lawton Park, etc.	4/6/2016 9:48 AM
17	Discovery! (I guess that's adventure)	4/6/2016 6:39 AM
18	Saint Edward State Park structure!	4/6/2016 6:13 AM
19	Themed or adventure	4/6/2016 12:12 AM
20	I'm not sure what "natural" or "modern" entails. This is our closest playground area so a variety of equipment for all ages would be great. Maybe even some for the grown-ups. :-)	4/5/2016 10:39 PM

30	Someone just told me that this playground was the place for kids to play back in the 70s. She said that the play area was huge. With as much land area as you have, it could be amazing. It would be great to have climbing features, bridges, and some musical elements. I think the playground by the EMP is cool, but it's only good for kids who are really good climbers. For the most part, high school and middle school kids aren't using that play area, so it should be geared toward the elementary school set.	4/6/2016 3:38 PM

1	more climbing structure -the one there is for small ones	4/24/2016 5:27 PM
2	spray park, skate park	4/23/2016 8:47 AM
3	BBQ grills and picnic benches to attract families, and nearby restrooms	4/21/2016 4:59 PM
4	Less shade, more sunshine	4/19/2016 10:06 PM
5	more sun! it gets cold. have both sun & shade.	4/19/2016 5:12 PM
6	Public restrooms for family use	4/13/2016 5:01 PM
7	our kids would appreciate a skatepark	4/12/2016 9:42 PM
8	Cafe or small concessions out by the viewpoint which is midway - great place for kids and old folks to take a break - very European.	4/10/2016 11:55 AM
9	Educational boards with names and pictures of plants and park plant life we might see	4/9/2016 10:05 AM

10	skatepark	4/8/2016 9:17 PM
11	Paved loop for bikes/scooters like Ella bailey	4/8/2016 2:50 PM
12	Updated equipment, day lighting the area- its very dark and damp	4/8/2016 9:23 AM
13	Increased sunlight	4/7/2016 9:48 PM
14	Natural boundaries to restrain small kids that like to wander.	4/7/2016 4:15 PM
15	Large landscape rocks like around the zip line are very fun natural play structures	4/7/2016 7:15 AM
16	Removing overgrowth/trees to make it feel more safe	4/6/2016 8:10 PM
17	Bathrooms, covered shelter for rainy days, bike racks	4/6/2016 7:06 PM
18	Public toilets	4/6/2016 6:26 PM
19	NOT seating--already have issues with people smoking marijuana there	4/6/2016 6:03 PM
20	Slides/path/bridge from some of the trail areas into the play area. The kids really like to pick up sticks and items from the ground to build some forts and such. Discovery Park is my favorite place, so I think any improvement is going to be wonderful!	4/6/2016 3:38 PM
21	more sun (it's really shady there)	4/6/2016 2:33 PM
22	Improved groundcover to help prevent tripping over exposed roots	4/6/2016 1:04 PM
23	Wading pool would be amazing for summer!	4/6/2016 10:11 AM
24	Oversized climbing or sliding structures	4/6/2016 9:02 AM
25	Educational natural elements - plant names, etc.	4/6/2016 8:46 AM
26	more light, it's too shaded	4/6/2016 7:34 AM
27	pull up bars, push-up bars	4/6/2016 7:27 AM
28	Boulders of various sizes and shapes, big logs	4/6/2016 6:39 AM
29	Higher structures	4/6/2016 6:06 AM
30	Water play	4/6/2016 12:51 AM
31	All of these ideas listed would be helpful. For this area of Magnolia, this is our walk-to playground. The preschool uses it too, so it would be great if it were more of a destination playground. Having natural elements, reflecting the park would be great. Have a lookout tower resembling the lighthouse. The current equipment doesn't foster creativity, and so kids get bored fast. The huge playground on Bainbridge Island or the new play area at Northwest Trek are excellent examples of bringing something new to the area. If you want more families to use the playground, you need to have activities and features that are different than the other neighborhood parks. Having some picnic tables would be nice. Parents don't have many places to sit. Keeping it cleaned up is going to be the biggest challenge and the most important. It's frustrating to show up with my kids to see graffiti and broken elements. You never know what you're going to get because it's not in plain sight like other playgrounds are.	4/5/2016 10:39 PM
32	Adult fitness area or set of pullup bars	3/30/2016 4:26 PM
33	not expanding beyond where you are.	3/30/2016 1:43 PM
34	Cleaner picnic tables	3/16/2016 3:08 PM
35	Cleaner picnic tables	3/16/2016 3:06 PM

1	I like Discovery Park because of its natural potential. I think all park areas should be as natural as possible. This park is the closest thing we have to wilderness in the city. If the play area came to look like Disneyland, it would diminish that. But, I'm not 5...	4/24/2016 1:59 PM
2	We desperately need a skatepark for our kiddos in Magnolia. Also, add more tennis courts in discovery park. There's only 2 and they are always occupied.	4/20/2016 7:25 PM
3	I would like the natural feel of Discovery Park to be represented.	4/20/2016 1:00 PM
4	I'm glad the park will be updated!	4/20/2016 9:35 AM
5	I would love a play structure that's meant for the little kids, under age 5. The little ones need somewhere they can play too. The play structures meant for the older kids are too high and unsafe for the little ones.	4/19/2016 2:18 PM
6	The timeline for the project is really long. I would love for the playground to be fully accessible this summer rather than a full year+ from now.	4/19/2016 5:26 AM
7	It is located in such a beautiful, natural area, it would be nice if the design reflected and complemented the current space.	4/18/2016 10:49 PM
8	Discovery park is a great park itself, but it would be nice to have a better playground for children. We love Maple Leaf reservoir playground! I wish you worked on this project in the winter time so that we could use it this summer.... This playground is surrounded by very tall trees. It is great in the summer time with the shade, but it is almost impossible to play in the winter since it gets freezing with no sun. I would appreciate it if you would trim some branches to let more sun in the play area. Also, the new zip line that was just installed has a very unsteady platform. I noticed the sign says it is for children from 5 to 12, but I wish the platform was more solid. Thank you!	4/18/2016 10:42 PM
9	I would love the addition of public restrooms with changing table at the playground, it's too far to go in a hurry with small children to the visitor's center.	4/13/2016 5:01 PM
10	We would appreciate a nice smaller skatepark in the area. This would allow our kids and their friends a safe and fun environment	4/12/2016 9:42 PM
11	Incorporate elements for older kids	4/11/2016 9:23 PM
12	We LOVE Discovery Park Playground, and are so excited to see what comes next. I am so glad that the terrible swinging walkway will be replaced - the wood was always SO slippery and have seen so many toddlers land on their bottoms! There are so many great places to play, and thrilled to have a new place by us.	4/11/2016 4:27 PM
13	Open the area up to keep it from becoming a homeless camp/high school party spot at night.	4/11/2016 1:53 PM
14	Please keep a zip line play element!	4/11/2016 1:40 PM
15	The platform for the zip line is ridiculous - my daughter age 9 fell through and racked herself - WTF! Saw a mom helping a 5 year old practically break her ankle. Height of zip line on platform is chin high to young kids and rolling mechanism is not smooth. Fix this before people hurt themselves	4/10/2016 11:55 AM
16	I think there should be a "fort building" area. Kids are already doing it, so why not offer logs (lincoln logs) or other thong for kids to build forts so they are not pulling them off the trees	4/10/2016 11:26 AM
17	A park with activities and areas for a variety of ages and abilities would be great- good luck!	4/9/2016 10:05 AM
18	Please please please keep the zipline. Such an awesome feature, hours of fun with family.	4/8/2016 10:51 PM
19	As a family that plans to stay in the area we would love to see a space that can be utilized by children of all age groups. It would be great to see a smaller scale structure for toddlers as well as a structure to accommodate elementary school aged kids like the play area at Catherine Blaine does well. Another consideration is that sometimes it feels very isolated. Is there a way to have a call box to reach the visitor center in case of emergency? Some moms feel a little vulnerable taking their children into such an enclosed space.	4/8/2016 10:15 PM
20	So glad this is getting revamped. It's a unique park in a forested setting that really adds to a family's experience of the park. We love it for the forested shelter that blocks sun and makes it feel intimate in a way other playgrounds don't.	4/8/2016 9:43 PM
21	i small skatepark would be nice	4/8/2016 9:17 PM

22	The playfield at Wallingford is a great playground. It has a large play structure with lots of climbing, a walking track, large flat grassy field, wading pool, picnic tables, and nearby restrooms. It's a model for a great playground and if something similar could be done at Discoverg Park, that would definitely increase our usage and also probably encourage other families to come. Lastly, more sun would be great. It's nice to have some trees for shade but it is a bit too shady and can be quite colder than outside the play area.	4/8/2016 2:50 PM
23	as mentioned, I think it is a pretty dark/damp area. Is there any place other than the current location that the play area could be located? There is a large play field next to this area that is under utilized. Perhaps parts could be in the shade, other parts in the open?	4/8/2016 9:23 AM
24	We enjoy the hidden and nature charm of the playground. Keep it different from the other playgrounds in the neighborhood, choose colors and designs that blend in with surroundings and overall theme of the park. This playground is a little over the top, but it is very clever. Check out the playground at "River Legacy Park" in Arlington, TX. http://4.bp.blogspot.com/-JI3kv1J-F5E/Ug5qg4zKg1/AAAAAAAAAJDY/T-NIDWsCTBs/s1600/Big+Tree+Collage.jpg	4/8/2016 8:02 AM
25	Prefer a natural setying, no bright colors and lots of plastic. The zip line must come back!!	4/7/2016 11:24 PM
26	Would absolutely use the play area more if it was updated!	4/7/2016 9:12 PM
27	We used to go to this playground daily when we went to preschool at Nature Kids. Now we come at least once a month and were sad to see the old structure removed before a new plan was in place. I'm not sure why that happened. It would be great to have a natural/adventure playground, incorporating all the trees and adding climbing features. It's such a unique playground location that you could really do something cool and different here! Thanks for taking this on!	4/7/2016 9:09 PM
28	Thanks for asking	4/7/2016 9:08 PM
29	Make it more dangerous, that's right more dangerous, so that kids learn how to take risks. Read about The Land playground Do some form of that. It's Discovery Park! It's not "Issue an RFP and buy a solution from playground manufacturer park." Make it dangerous. Put up a sign that says "DON'T PLAY HERE!" You will be celebrated across the country as visionaries and kids all over Seattle will remember it fondly 50 years from now.	4/7/2016 8:26 PM
30	a play area that is suitable for young children and challenging for older kids	4/7/2016 5:56 PM
31	Small off leash area would be nice.	4/7/2016 4:50 PM
32	Will you solicit community help in finishing the playground? I helped build the one at St Edwards and it was so much fun!	4/7/2016 4:15 PM
33	Please add me to a list to receive updates. @gmail.com	4/7/2016 11:48 AM
34	I really prefer playgrounds that have areas both for smaller kids and bigger kids	4/7/2016 9:12 AM
35	You need better signage directing people to the playground. I've tried to meet other families there for play dates, and most of the time they can't find it (because they don't expect it to be so far up the path from the visitors center)	4/7/2016 7:36 AM
36	A large bouldering wall would be great!	4/7/2016 7:15 AM
37	thank you!	4/6/2016 10:41 PM
38	Opening up the space so it's less closed off. Don't always feel the safest in that spot, especially when I'm by myself with more than one of my kids. Feels to secluded	4/6/2016 8:10 PM
39	Please keep the zip line and keep it as large or larger than it is now. It's everyone's favorite feature.	4/6/2016 7:08 PM
40	A clean child and adult friendly bathroom with a baby changing station would be a huge benefit to family's	4/6/2016 6:26 PM
41	Discovery Park playground is the closest to our house and we visited often but thought it was a little dark and a little boring. Some better climbing and slide options would be great with a modern zip line. Also clearing a little more space to let in just a little more light would be awesome! Shade is great for summer but that spot gets very little sun.	4/6/2016 5:09 PM
42	The Discovery Park play area is such a great natural setting - encourages our kids to hike through the park. Very excited for the improvements!	4/6/2016 4:42 PM
43	I'm not sure how it can be fixed as the play area is in the middle of the park, but I would like to see the equipment be brighter and more colorful. The current equipment looks like an afterthought, and the area is so gloomy. It would be great if there were some natural elements or a theme that reflected the park or the city. I think that the designers need to take into consideration that there has been quite a bit of graffiti over the years. Could the equipment or area be made of something that is easily repairable should that happen? I don't know if that exists. I know that my kids like to run up the hills right around the play area, and it would be great if a slide or more distinct trails could be integrated into the area.	4/6/2016 3:38 PM

44	I love the natural beauty of the park. Please don't make it a theme park.	4/6/2016 2:33 PM
45	The Discovery Park playground is one of our least-visited in the neighborhood because it feels old, run-down, dark, chilly, and frankly it's boring for my toddler. I'm really excited about this project to refresh it.	4/6/2016 1:04 PM
46	Having play structures for both toddlers and older kids is a great!	4/6/2016 11:28 AM
47	I love the park for its shade relief value in the summer, and even a break from the rain in the winter. Great location!!! Keep it secluded.	4/6/2016 10:42 AM
48	Looking forward to this!	4/6/2016 10:37 AM
49	Not sure if there'll be a contact field later (hope so) so if not I am at @gmail.com	4/6/2016 9:48 AM
50	Hurry up and complete the project, the grand girl is getting antsy!	4/6/2016 9:48 AM
51	Improve surrounding pathways and trails to play area. thanks.	4/6/2016 9:43 AM
52	PLEASE don't touch the upper/South side of the area where kids build branch forts. It's a great, natural space for kids to play and explore in. Also, a natural, wooden play structure that blends in with the beautiful surroundings would be far superior to a modern, plastic play structure. Love the idea of a "lookout!"	4/6/2016 9:24 AM
53	Can't wait for an updated playground!	4/6/2016 9:20 AM
54	It would be nice to have mass plantings of trees, flowers and shrubs that have year round interest. Natural plantings often look 'weedy' after a few years and make the parks look like they are not maintained.	4/6/2016 8:59 AM
55	The current playground is dangerous- wood splinters and rusty nails. My toddler son loves the bridge, slides etc but gets scraped up.	4/6/2016 8:11 AM
56	Please check out this playground in Canada, it's called million dollar playground in Richmond BC http://www.huffingtonpost.ca/2014/09/12/million-dollar-playground-richmond-terra-nova_n_5813172.html	4/6/2016 7:34 AM
57	My kids like to play on the hillside behind the zipline with the branches, etc. They've come across piles of adult personal items on several occasions in and around "tents" made from sticks. It seems people use this area as a campsite. Does the playground need better security, if it has any at all? It's so secluded.	4/6/2016 7:29 AM
58	Please keep zip line and tire swing.	4/6/2016 6:59 AM
59	Please look at Kirke Park in Ballard for ideas. The swing is great! The natural space in the back corner encourages naturally imaginative play. The sandbox is great. I love the ramps and sidewalks. And and a picnic area. My favorite right now	4/6/2016 6:39 AM
60	big and natural; fitting into the forest. Climbing elements and lookouts. Like the Ewok base on Endor!!	4/6/2016 6:21 AM
61	Water feature would be great if affordable.	4/6/2016 6:06 AM
62	We didn't realize there was a play area at Discovery Park until we saw it as it was closed off. But we are excited to visit once it is complete!	4/6/2016 5:39 AM
63	Please keep the zip line. It is the most popular place for our nephews and nieces to go when they visit us in seattle.	4/6/2016 3:15 AM
64	Shape the play area like an aerial view of Discovery park (with colored areas for water/grass/trees and trails)	4/6/2016 1:01 AM
65	lighted pathways (even dimly) to and from Emerson Street etc would be safer for families to walk to park without driving.	4/6/2016 12:58 AM
66	We really like that's its a shady playground. I hope it stays that way. Hope the zipline stays.	4/5/2016 11:53 PM
67	Please don't make this a generic play structure. It would be awesome if it could be something along the lines of Battlepoint Park on Bainbridge or St. Edwards Park in Kenmore. (Wooden/authentic play structure)	4/5/2016 10:49 PM
68	We live in a dead-end area that runs along Discovery Park. There are many kids back here, and we end up having to use the community center playground or Ella Bailey most of the time. I know it is nestled in the trees, but I wonder if there is a way to make it seem lighter and more aesthetically appealing. Having some climbing structures would be great. Once kids reach a certain age, there is nothing left for them to do there. At Carkeek Park, you can rent out shelters with grilling equipment. I can just imagine how fun it would be for families to have summer birthdays or get together there.	4/5/2016 10:39 PM
69	Please make sure there is a zip line, that's what makes the park so special in the 1st place.	3/30/2016 9:38 PM
70	This park was planned to be a large unimproved park and look at your own goals for the park. Spend the money on other urban developed parks.	3/30/2016 1:43 PM

71	We were surprised to find the park all torn up today (3/16/2016), as we never saw notice of renovations through any news or social media. We notice the project is behind schedule - the sign on a fence around the zipline area said it was supposed to be done in mid February of 2016.	3/16/2016 4:19 PM
72	It will be interesting to see how the new park compares to the old one!	3/16/2016 3:08 PM
