

### Q1 How often do you visit the play area? (pick one)

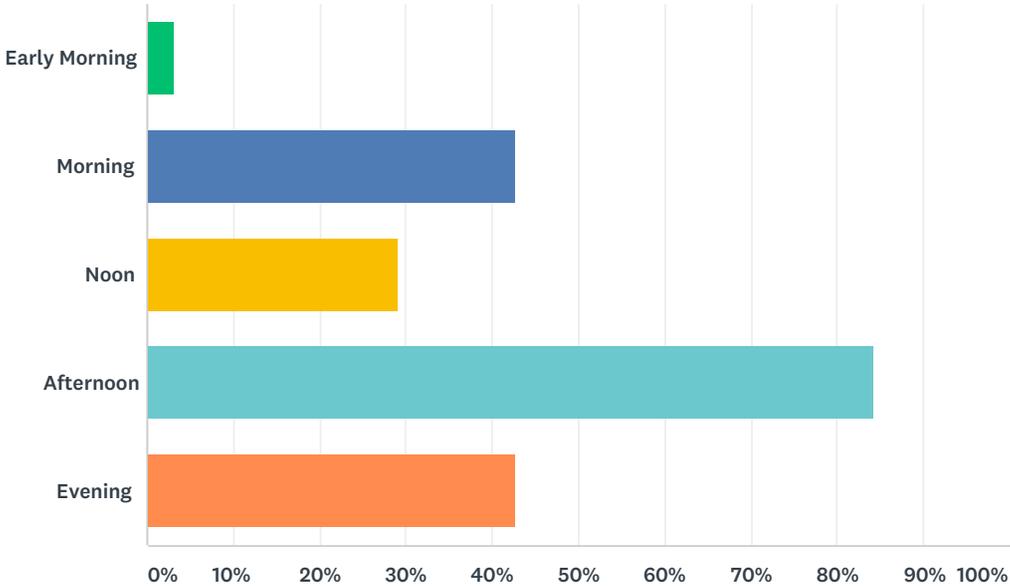

Answered: 96 Skipped: 0

ANSWER CHOICES	RESPONSES	
Daily	9.38%	9
Two or more times a week	35.42%	34
At least twice a month	30.21%	29
At least four times a year	19.79%	19
Once a year	5.21%	5
TOTAL		96

## Q2 What time of day are you most likely to visit the play area? (check all that apply)

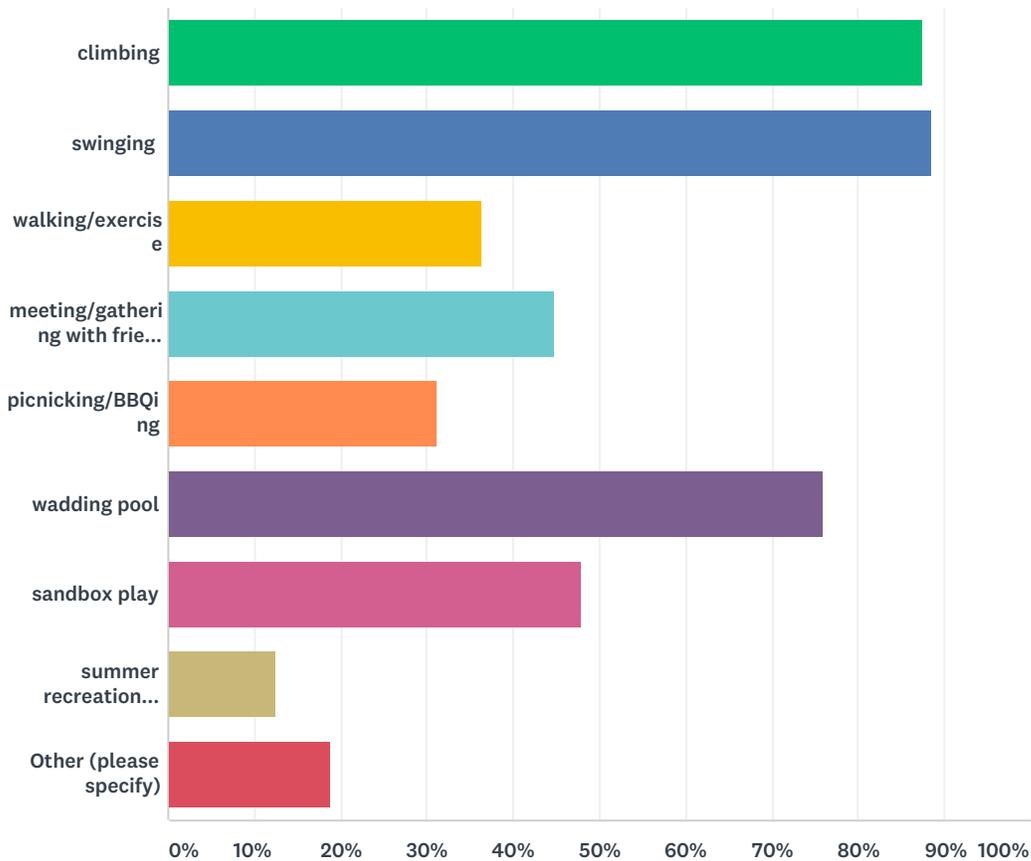

Answered: 96 Skipped: 0

ANSWER CHOICES	RESPONSES	
Early Morning	3.13%	3
Morning	42.71%	41
Noon	29.17%	28
Afternoon	84.38%	81
Evening	42.71%	41
Total Respondents: 96		

### Q3 What type(s) of activities do you or the children with you do at the play area? (check all that apply)

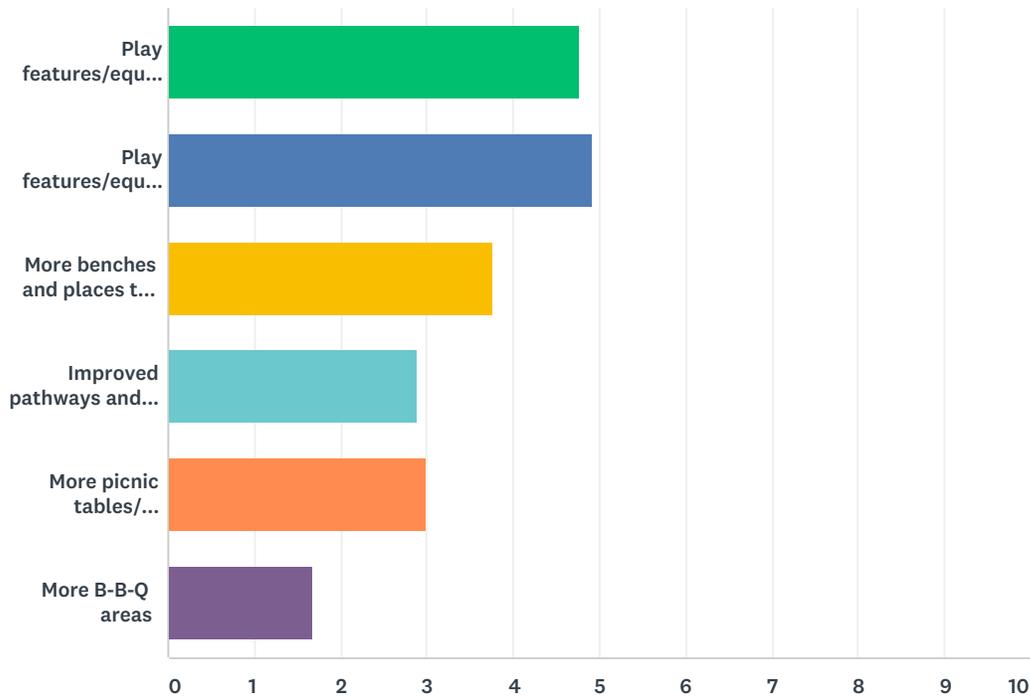

Answered: 96 Skipped: 0

ANSWER CHOICES	RESPONSES	
climbing	87.50%	84
swinging	88.54%	85
walking/exercise	36.46%	35
meeting/gathering with friends or family	44.79%	43
picnicking/BBQing	31.25%	30
wading pool	76.04%	73
sandbox play	47.92%	46
summer recreation program activities	12.50%	12
Other (please specify)	18.75%	18
Total Respondents: 96		

## Q4 What features would improve your enjoyment of the play area? (please rank)

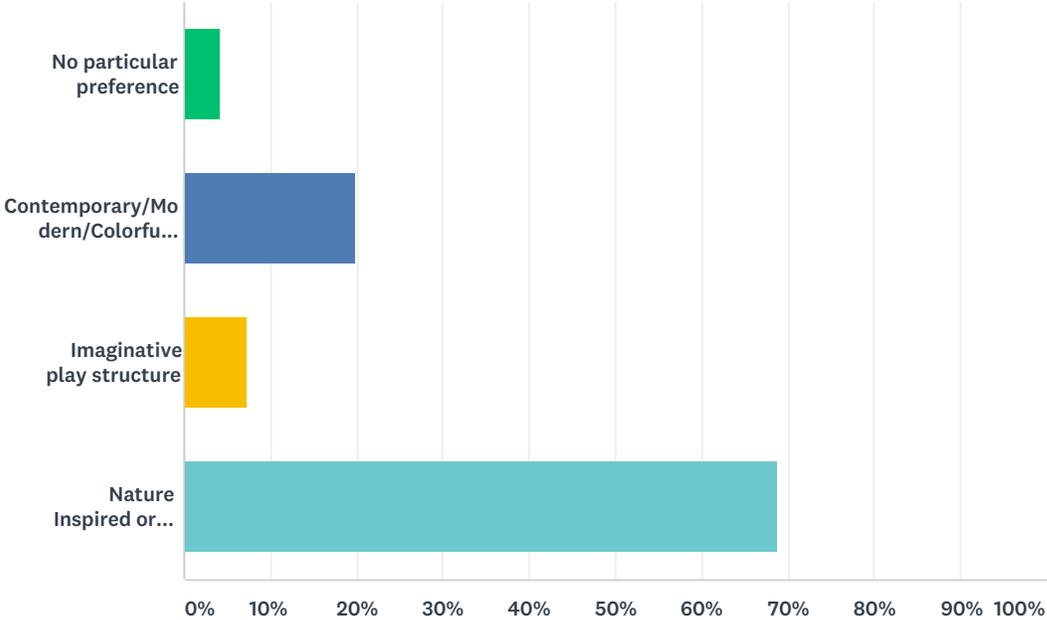

Answered: 96 Skipped: 0

	1	2	3	4	5	6	TOTAL	SCORE
Play features/equipment for toddlers and young children (2-5 years)	46.88% 45	21.88% 21	10.42% 10	5.21% 5	12.50% 12	3.13% 3	96	4.76
Play features/equipment for older children (5-12 years)	40.63% 39	37.50% 36	7.29% 7	5.21% 5	6.25% 6	3.13% 3	96	4.92
More benches and places to sit or gather	4.17% 4	23.96% 23	34.38% 33	25.00% 24	7.29% 7	5.21% 5	96	3.77
Improved pathways and access to play area	3.13% 3	8.33% 8	19.79% 19	31.25% 30	17.71% 17	19.79% 19	96	2.89
More picnic tables/ picnicking areas	1.04% 1	8.33% 8	22.92% 22	27.08% 26	38.54% 37	2.08% 2	96	3.00
More B-B-Q areas	4.17% 4	0.00% 0	5.21% 5	6.25% 6	17.71% 17	66.67% 64	96	1.67

### Q5 From the examples above, is there a particular play area style you prefer?

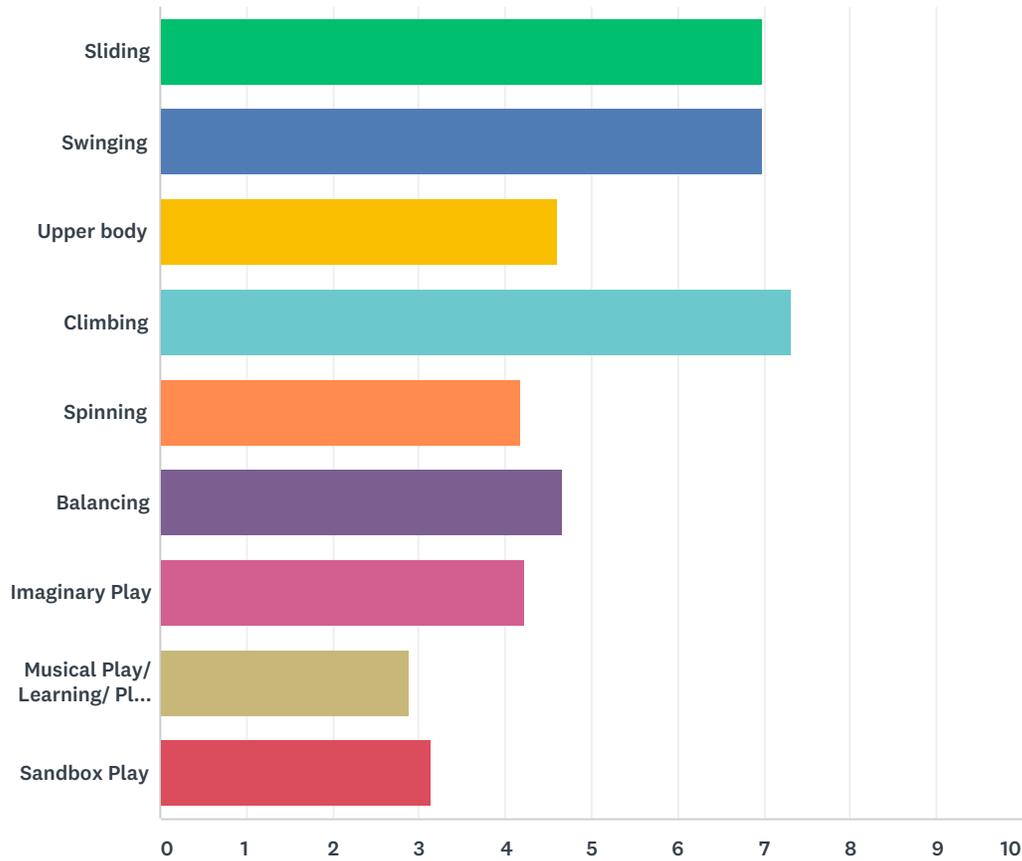

Answered: 96 Skipped: 0

ANSWER CHOICES	RESPONSES	
No particular preference	4.17%	4
Contemporary/Modern/Colorful play structure	19.79%	19
Imaginative play structure	7.29%	7
Nature Inspired or Themed play structure (nature, wildlife, tree house, fossils, etc)	68.75%	66
<b>TOTAL</b>		<b>96</b>

## Q6 What play elements do you like most for the play area? (please rank)

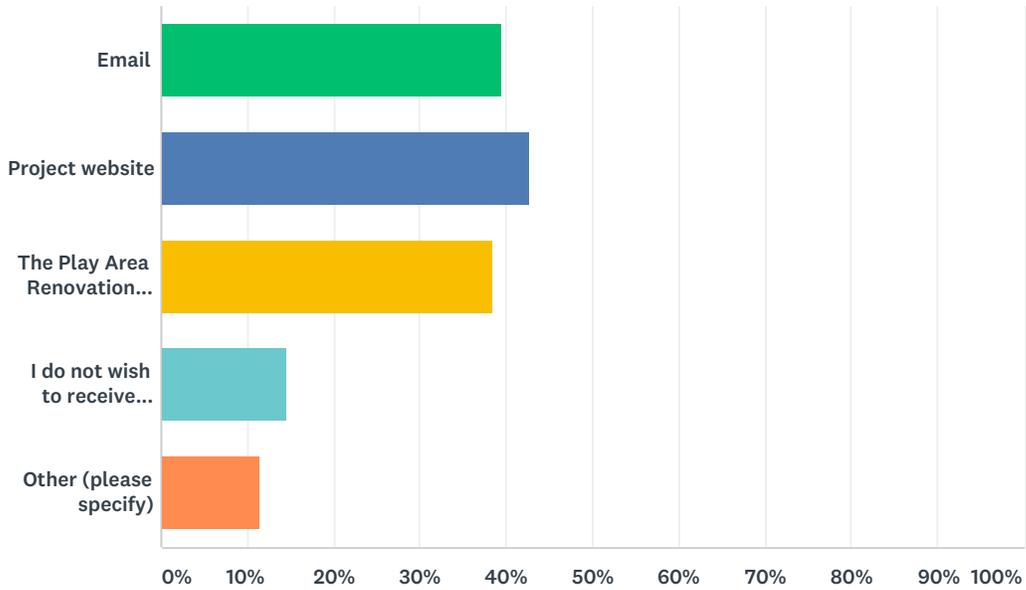

Answered: 96 Skipped: 0

	1	2	3	4	5	6	7	8	9	TOTAL	SCORE
Sliding	31.25% 30	22.92% 22	11.46% 11	10.42% 10	9.38% 9	8.33% 8	2.08% 2	1.04% 1	3.13% 3	96	6.99

E C Hughes Park - Play Area Renovation Project Survey

Q8 Please add any additional comments you have below:

Answered: 31 Skipped: 65

#	RESPONSES	DATE
1	The sandbox at this park has needed TLC for years! And a lot more sand!	4/22/2018 10:29 AM
2	Include covered areas for rainy day play	4/20/2018 5:08 PM
3	I like the surface that is a soft turf (looks like grass)	4/20/2018 4:59 PM
4	1) Wading Pool should be relocated/or trees removed so pool is directly in sun, not in shade at all times. 2) Need Lower height (7'/8') hoops for kids to use 3) Current play structure is great as-is, use the funds to add more equipment or make other upgrades. i.e. - more hoop options, roof over bball court 4) zip lines seems to be a hit at every park that has one	4/20/2018 1:34 PM
5	It would be great if the play area was still available in the summer.	4/20/2018 7:35 AM
6	I hope you keep the swings and merry go round, my kids love the these and they are good for a wide age range. Please let there be some good climbing and don't make it too safe!	4/19/2018 11:09 PM
7	I'm not that worried about updates. I wish the wading pool would either be open more frequently or reuse the space for something else. It's disappointing that it's hardly ever open.	4/19/2018 10:16 PM
8	Add something cool and unusual to this park!	4/19/2018 7:55 PM
9	On the survey please define if #1 is most important or least important	4/19/2018 5:14 PM
10	We love this playground and use it often	4/19/2018 3:00 PM
11	We were out of town at the first public meeting, but this is our neighborhood park and we use it all the time! We've loved it because it's been so much more than just a play structure. We LOVE that it has such a wonderful bike riding loop. My kids do figure 8s around the wading pool and then the playground, sometimes including the bathroom structure. We intentionally meet people at this playground because it appeals to children of all ages. I sincerely hope that the new playground is not a space that primarily appeals to toddlers because, as I've found out, they quickly grow into grade schoolers who also want to go enjoy the park. Our other nearby parks (like Myrtle) do not have swings so it's really wonderful that this park has space for a play structure and swings. Without swings at many public schools, the swinging skill is rapidly deteriorating :-). We are sad to see the old play structure go--it's been a wonderful part of our lives for the last 8 years. We've still go little ones though, so we hope to enjoy the new structure too. I have a strong "Nature Inspired" preference to incorporate with the beautiful space it inhabits. Thank you!	4/19/2018 2:41 PM
12	This is such a neighborhood draw of young children. But they will also get older. The swings (both sets) are very popular. The climbing structure gets great use. Occasionally I do see families using the BBQ's. Perhaps if the area was updated people would book out these spaces like they do in Lincoln Park for birthdays etc. The wading pool is open very infrequently - if funding is available this resource should be used more often.	4/19/2018 1:38 PM
13	Please keep the wading pool and upgrade the basketball courts.	4/19/2018 12:16 PM
14	We love the current playground and have been going to the park since my oldest was an infant. We would love to see giant challenging climbing structures for older kids and boulders to climb on and large movable objects for "heavy work" (see: sensory processing work).	4/19/2018 11:51 AM
15	Leave the swing and the merry go round but there is a hard curb with in three feet of the merry go round, very dangerous to have the curb that close!	4/19/2018 11:19 AM
16	We live at 29th & Othello, so this is our "home" playground. Please consider additional safety measures to cross Holden. Perhaps a button that would activate flashing lights on a walk sign, additional striping, a speed bump, etc? More and more families with young children are moving into the Sunrise Heights neighborhood, and we want our kiddos to be safe getting to the park (with us today and alone as they get older). Please also continue to maintain the basketball area -- it's not only great for shooting hoops, it's a perfect area to learn to ride a bike or scooter for the smaller kiddos. Please consider adding a short hoop to one side, too. Thanks!	4/19/2018 11:00 AM
17	I would love to see a viking swing at this playground!	4/16/2018 11:29 PM

## E C Hughes Park - Play Area Renovation Project Survey

18	Thank you for updating this community space!!	4/14/2018 12:06 PM
19	Currently, my two sons (ages 2 and 4) love the merry-go-round and the slides. The baby swings were also a favorite prior to being removed.	4/12/2018 3:15 PM
20	A walking path/bike path all the way around the park would be lovely. Improving the fields so they can be used for multi-sports (multiple, turf fields with lights like Walt Hundley) could really increase the usability of the park. The Highline Soccer Club is looking to invest in a project like that- maybe this could be a collaboration opportunity! The soccer club serves thousands of local youth soccer players each year- through leagues, camps, clinics and more. They have a Field Development Committee that can be reached <a href="mailto:president@highlinepremier.com">president@highlinepremier.com</a> EC Hughes has a lot of potential as a dynamic community gathering space and if you just update the play equipment, you'll be missing a great opportunity.	4/12/2018 2:12 PM
21	Covered play! We want to play all year round!	4/12/2018 2:06 PM
22	I would much rather spend funding to increase the number of days and the time that the wading pool is open! The current structure is so good -- appealing and used by toddlers and bigger kids alike -- instead, please consider fixing and not replacing it!	4/9/2018 11:14 AM
23	We live 2 blocks away from the park. I don't want the play structure replaced. I'd rather have the "damaged wood" just replaced and the money spent on improvements to the park instead. For example, actually having sand in the sand area. And having the wading pool open on a weekend day during the summer for parents that work during the week. A lot of these new play structures are all the same. The current EC Hughes park play structure is my family's favorite in West Seattle because it's different. It feels safe for smaller children, but still fun for bigger children. It's a really great play structure. Please don't replace it.	4/9/2018 10:46 AM
24	Leave the current swings! No weird euro-plastic; use wood! No rubber/recycled tire surfacing. Make it risky; too safe == not fun.	4/4/2018 7:50 AM
25	Just thanks! :)	4/3/2018 6:48 PM
26	More focus on things for young toddlers would be appreciated!	4/3/2018 3:13 PM
27	People drive onto park property regularly during holidays. Loud music is played until late at night making holidays off limits for our family. Please enforce rules and discourage people from driving their cars on the lawns.	4/3/2018 1:41 PM
28	Keep the wading pool nice!	4/2/2018 4:47 PM
29	Please make the play structure challenging and active, not too flat and risk adverse, children need active play and need to learn their limits and challenge themselves through dynamic movement.	4/2/2018 4:01 PM
30	Get rid of sandboxes...too many feral animals and not properly covered	4/2/2018 3:50 PM
31	My family would come to the playground more often if it was updated/safer for younger children. We primarily go to Myrtle Park and are of equal distance to both parks. If we go to E.C. Hughes it is primarily to play with the sandbox.	4/2/2018 11:38 AM

## Q9 What is your zip code?

Answered: 96 Skipped: 0
