

**WE NEED YOUR INPUT!**

# **GEORGETOWN PLAYFIELD PLAY AREA RENOVATION**

Seattle Parks and Recreation requests your input on play equipment and proposed improvements for the Georgetown Playfield play area. The goal of the project is to replace the play equipment, provide access for people with disabilities and improve safety and other features at the park. Thank you to everyone who participated in the survey and provide input in May.

Georgetown Playfield play area is located at 750 Homer Street, 98108. The Seattle Park District provides the funding for this project. We anticipate construction will begin in spring 2017 with completion in fall 2017.
