9	Either renovate the wading pool or remove it. The area is prone to homeless and kids. Many are passed out or drunk (not all, but many). I have lived two blocks from this park for nine years and am SO disappointed that it is not well-maintained and has become scary. I will not stay with my children if there are not other families there. It is unsafe.	11/16/2015 4:06 PM

26	Larger playground with more choices, splash pad	11/15/2015 7:24 PM

29	a spray park! The park would have a new life with a great spray park like north acres or very simple like south lake union. We go to Ross park often as well since it was redone but we go to gilman for the swings. these are the last big swings. please save them.	11/15/2015 8:08 AM

33	wading pool, off leash dog area	11/12/2015 6:21 PM
34	better and safer playground equipment	11/12/2015 10:55 AM
35	More areas to practice riding our bikes and learn roller skating and skateboarding. We often wait for the tennis court to be clear to ride around there. There is no lighting so it gets dark rather early to play there after work.	11/12/2015 10:52 AM
36	Improved facilities that discourage the prevalent drug use around the wading pool and bathrooms.	11/12/2015 10:45 AM
37	Spray park/ water feature, upgraded play structure, general maintenance for safety of children using park (currently there is often broken glass, used needles )	11/11/2015 9:40 PM
38	Better playground equipment, get the wading pool back up and running, add nature area	11/11/2015 8:45 PM
39	Pet area	11/10/2015 2:43 PM
40	More modern, unique play equipment	11/10/2015 2:11 PM
41	restoring the wading pool or having a water feature for kids.	11/10/2015 10:25 AM
42	Our neighborhood watch group has mentioned drug use and finding needles, particularly in the wading pool area during the summer, so we tend to avoid going there. If the pool were reopened, we would go often instead of driving to other places for water play. Alternatively, if the pool were replaced with structures for young children (climbing, sand box, etc) and work out equipment for adults, it would help change up the options for play. Better lighting, particularly in the tennis court would allow for more use in the fall/winter evenings. We no longer have a dog but many do live in the neighborhood and would love to have an off-leash area for them to run.	11/10/2015 3:26 AM
43	New play equipment that is appropriate for ages 1-12, filling the wading pool, more eyes on the park so that it feels safer, adult exercise equipment around the playground like they have at Montlake Playfield	11/9/2015 10:09 AM
44	No homeless people drinking alcohol and doing drugs	11/8/2015 3:53 PM
45	Wading pool	11/8/2015 3:32 PM
46	Dog area in the old wading pool area. Exercise classes in the park. More playground equipment I can bring my godson . . . not much there but swings and slide.	11/6/2015 1:20 PM
47	updated tennis courts	11/5/2015 6:55 AM
48	absence of bums and panhandlers	11/4/2015 8:56 PM
49	A better basketball court.	11/4/2015 6:47 PM

53	Improved playground equipment	10/23/2015 7:17 PM
54	If there were an off leash area for dogs	10/23/2015 6:34 AM
55	This park is in desperate need of better playground equipment and the resurrection of the wade pool. The parks in Ballard are my least favorite...and most needed of updates. As a nanny, I take kids out to play daily...and it's sad that we end up loading into the car to leave Ballard in search of better play spaces. I would love to have more input into playgrounds in Seattle.	10/22/2015 7:08 PM
56	food trucks	10/22/2015 11:24 AM
57	Would like to remove wading pool area if it will never be used as a pool in the future. Currently it is wasted space	10/22/2015 10:59 AM
58	We visit the splash park at greenlake often and it would be great to have a splash park within walking distance to our house.	10/22/2015 9:36 AM
59	No tennis courts	10/21/2015 10:40 PM
60	Decorative landscaping	10/21/2015 3:10 PM
61	If the wading pool was open for the kids	10/21/2015 3:10 PM
62	If drug selling/drug use and dirty needles were not there.	10/21/2015 10:52 AM
63	Get rid of the wading Pool. Also, the comfort station is primary used by drug users and dealers, and not the residents - I won't let me kids go in there.	10/21/2015 10:35 AM
64	An off-leash dog area	10/21/2015 10:18 AM

65	If the wading pool was open in the summer I would bring the kids everyday	10/21/2015 10:17 AM
66	if the bums were cleared out. they can be harassing and offputting at times.	10/21/2015 10:10 AM
67	Enhanced playground and wading pool!	10/21/2015 10:10 AM
68	Opening the wading pool and updated play equipment!	10/21/2015 10:03 AM
69	Bigger basketball area	10/21/2015 9:55 AM
70	I'd like if it were more consistently clean (I noticed times this summer when there were a lot of cigarette butts in the playground woodchips and food garbage laying on the ground)	10/20/2015 4:20 PM
71	Knowing the park is safe and clean and truly closed in the evening. There has been a big problem with homeless and drug use. This park is not only utilized by me, but also my neighbors and hundreds of kids there to play sports. It is disheartening seeing what has happened to our park and the lack of support to improve the space.	10/20/2015 11:18 AM
72	We would love a restoration of the wading pool. There are so many children in our neighborhood who would use it, and if it was reactivated it would deter the transient population from using it for activities that should not be taking place next to a playground. The wading pool has such a lovely setting, with mature trees and an original bathhouse to rival Greenlake or Volunteer Park. We love our park and hope the pool will be restored.	10/20/2015 7:16 AM
73	Updated play equipment, re-open wading pool or get rid of all together, currently a place for homeless to live.	10/20/2015 7:11 AM
74	The wading pool running again	10/20/2015 6:08 AM
75	fewer sketchy characters - it often doesn't feel safe to walk through alone	10/20/2015 5:40 AM
76	An updated play structure would be great but please don't dumb it down too much - I like that the current one requires a lot of climbing even by the little kids. In the summer a wading pool that is open. Ballard commons is okay but too close to busy traffic and too sunny in the summer with next to no tree coverage. Gilman would be perfect to have open as a Greenlake alternative!!!	10/20/2015 12:38 AM
77	Adult exercise equipment (chin up bars, calisthenics structures)	10/19/2015 10:08 PM
78	Clean, drug free, renovated play structure, wading pool, toddler friendly	10/19/2015 10:02 PM
79	more play ground equipment	10/19/2015 9:36 PM
80	Less homeless people/fewer people on drugs	10/19/2015 7:48 PM
81	I think the kiddie playground needs upgrading. Lots of kids use it. Add lacrosse space. Lacrosse does not get enough fields for practice.	10/19/2015 4:57 PM
82	a better basketball court (or a covered basketball court to escape the rain!)	10/19/2015 4:29 PM
83	More activities at the playground. More swings	10/19/2015 3:51 PM
84	CLEAN up the area (too many homeless people lurking around) and update the play structure	10/19/2015 2:52 PM
85	It would be awesome if the playground could be redone. It has no features for young children, and has a prime location for many families to visit.	10/19/2015 2:34 PM
86	updated playground equipment and more management to keep away smokers, junkies, etc	10/19/2015 2:20 PM
87	Wading pool, fitness equipment, safety	10/19/2015 1:43 PM
88	Safer-too much questionable activity; reopening wading pool; official small of leash area	10/19/2015 12:28 PM
89	more playground equipment	10/19/2015 12:20 PM
90	I live near Gilman Park and walk my dog through the park at least three times a week. More lighting would make me feel safer at night. I tend to avoid the park after dark, which limits my ability to go there during the fall and winter months. The wading pool has not been usable during the five years I've lived nearby. Taking the wading pool out and expanding the play area for kids or making it a full court basketball court would be an improvement. The restrooms are dirty, and often attract transients from the neighborhood, especially in the evenings. I would prefer that the restrooms be removed, but if they need to be there for the sports teams that use the park, maybe they could only be open limited hours during the sports seasons and closed otherwise, since the majority of people who use the park live in the neighborhood. More seating or picnic tables would also make me more likely to visit the park.	10/19/2015 12:03 PM
91	More picnic tables and less loitering	10/19/2015 11:31 AM
92	A designated dog area	10/19/2015 7:45 AM
93	New playground equipment	10/19/2015 6:48 AM

94	Opening the wading pool	10/19/2015 6:01 AM
95	safer, nicer equipment	10/19/2015 12:05 AM
96	Feel safe while there.	10/18/2015 11:29 PM
97	Bringing back the splash pad!!	10/18/2015 11:23 PM
98	Bring back the wading pool or add a water feature! Even if it's only operational a few days a week! :)	10/18/2015 11:17 PM
99	Off leash dog park	10/18/2015 11:11 PM
100	less vagrants	10/18/2015 11:10 PM
101	Less homeless people	10/18/2015 10:59 PM
102	Safe, clean environment without used needles!	10/18/2015 10:55 PM
103	If the playground was bigger and had a nice sandbox, and if there were an off-leash dog area	10/18/2015 10:53 PM
104	better playground/easier crossing Market at 11th Ave/better security	10/18/2015 10:20 PM
105	safety	10/18/2015 10:13 PM
106	We used to visit the park almost daily but stopped because the playground equipment is hopelessly out of date and the vagrant/homeless/drug situation can be scary. We would visit more if it feels safer and has playground equipment appropriate for kids of all ages.	10/18/2015 9:56 PM
107	Cleaner and safer	10/18/2015 9:45 PM
108	Dog park	10/18/2015 9:43 PM
109	Get rid of the bathrooms or heavily regulate (with police) when open as they are currently used by drug abusers, homeless, and frequently graffitied. More lighting, so we can stay longer during winter months. More picnic/seating areas. Increase the basketball area to make a full court or at least a half court - lots of neighborhood kids love to play there. Do something to improve the abandoned wading pool (e.g. skateboard park, sand volleyball courts, full court basketball, covered picnic/bbq areas that can be rented out, more play space for kids (like the spider dome at golden gardens), horticulture learning area like the Seattle Children's Play Garden.	10/18/2015 9:20 PM
110	Improve playground	10/18/2015 9:16 PM
111	if it was cleaned up, bathrooms unlocked, more updated play structure and wading pool filled or (better yet!) spray park added! Currently this park is neglected and often used with drug/ alcohol users	10/18/2015 9:07 PM
112	If the existing concrete pit that used to be the pool was turned into some sort of other play area or interactive area for kids	10/18/2015 8:29 PM
113	Playground equipment that can be used by children under age 7. The current equipment is for older kids.	10/18/2015 8:27 PM
114	Better parking options for soccer	10/18/2015 7:39 PM
115	If the play area was less in the shade, barbecue pit/ pergola for parties	10/18/2015 7:32 PM

120	covered picnic tables	10/18/2015 4:19 PM
121	Open the wading pool in the summer	10/18/2015 4:15 PM
122	We would love to see the wading pool reopened. The area around the wading pool and the back of the bathroom building is a common hangout for transient men, right next to the playground. This area needs some attention. There is also a lot of drug activity surrounding the park.	10/18/2015 4:04 PM
123	keeping bathrooms open longer	10/18/2015 4:02 PM
124	Bigger better playground, more space to play (LOTS of wasted space here with disused wading pool).	10/18/2015 3:54 PM
125	more availability of space (often space is tight w scheduled practices/games)	10/18/2015 3:50 PM
126	A better playground with a larger play structure, more challenging equipment, and more swings; having the wading pool open again, at least a couple of days a week.	10/18/2015 3:39 PM

127	water play area like turning on the wading Pool or sprinklers. also a covered picnic area	10/18/2015 3:30 PM
128	wading pool	10/18/2015 3:23 PM
129	I feel I visit enough	10/18/2015 3:22 PM
130	Increased safety. Better play equipment. More shade	10/18/2015 3:19 PM
131	More lighting so we can see better once the sun sets	10/18/2015 3:17 PM
132	If it felt safer	10/18/2015 3:01 PM
133	Fewer bums hanging out	10/18/2015 2:48 PM
134	Better play equipment and good use of the closed wading area space. Right now it's used by transients and there are needles and broken bottles in it everyday	10/18/2015 2:42 PM
135	Clean safe bathrooms, clean safe park, emergency, 911 phone/button/safety siren /dog feces bags	10/18/2015 2:32 PM
136	fewer homeless people in and around the park	10/18/2015 2:29 PM
137	Less homeless/drug users/crime	10/18/2015 2:28 PM
138	Newer, better play equipment that is appropriate for a wider range of ages. I would also go more in the summer if the wading pool was open.	10/18/2015 1:59 PM
139	If it wasn't occupied by drug-users/drug-dealers. We are hoping to have an underutilized corner of the park modified (by the tennis court) so that it is not appealing for illicit activities.	10/18/2015 1:46 PM
140	Fewer transients. The wading pool removed or maintained. Food trucks!	10/18/2015 1:26 PM
141	More equipment for older kids/adults. Parkour type equipment/ larger basketball court, reservable space.	10/18/2015 1:11 PM
142	Wading pool and taking the park back from the homeless and the druggies	10/18/2015 12:49 PM
143	Safeguards to deter homeless from loitering and engaging in illicit behavior	10/18/2015 12:42 PM
144	Better playground, less drug addicts	10/18/2015 12:35 PM
145	Homeless people not harassing kids	10/18/2015 12:34 PM
146	A WORKING WADING POOL!!! Better lighting at night.	10/18/2015 12:28 PM
147	Sometimes the tennis court is busy and I would like other ways to be active in the park, like adding pull-up bars, boxes to jump on, walls to climb over, etc.	10/17/2015 6:38 PM
148	parkour equipment	10/17/2015 4:29 PM
