

WE NEED YOUR FEEDBACK GREENWOOD/PHINNEY NEIGHBORS!

PROVIDE INPUT ON THE DESIGN OF YOUR NEW PARK!

Seattle Parks and Recreation is designing a new park at the Greenwood/Phinney Landbanked site. Please join Seattle Parks and Recreation's staff and Cascade Design Collaborative's designers at the Phinney Neighborhood Association and provide input for this exciting new park development.

This meeting is an opportunity to learn about the project, review design proposals and let us know what matters most to you for your new park.

This project will provide additional open space for the Greenwood/Phinney community and is located at 8100 Greenwood Avenue N, 98103.

Funding for this park project is provided by Seattle Park District to preserve open space in urban areas throughout Seattle.
