

Join us at the Beacon Hill Festival!

COME SEE WHAT'S GOING TO HAPPEN AT JEFFERSON COMMUNITY CENTER

Seattle Parks and Recreation invites you to visit our booth at the Beacon Hill Festival. This is an opportunity to learn about and comment on the upcoming renovation project at Jefferson Community Center. This project will improve access to community center, update the kitchen and restrooms, and upgrade building systems so that the center can continue to serve Beacon Hill. Seattle Parks and Recreation staff and the design team from Rolluda Architects will be available to explain the project and answer any questions regarding the project.
