

Kobe Terrace Improvements at Southeast Area of Danny Woo Gardens

Project Scope: To improve safety and maintenance access to central area.

Project Type: Park Upgrade Project Program

Funding: Community Development Block Grant

Construction Schedule: In Summer (pending on fund release & Landmark Review Board Approval)

Background & Ex. Conditions

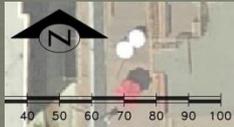

A historic landmark
named in honor of Seattle's
"sister city" in Japan: Kobe

Issues:

- Ex. Safety Concerns at SE area of Danny Woo Gardens
- Lack of Maintenance Access to Central Part of Park

Proposed Improvements Area

S. WASHINGTON ST.

Provide maintenance access & fence to mark boundary.

I-5

Provide temporary material (mulch) staging place for central part maintenance.

I-5

Remove safety hazards, restore slope, provide buffer landscape to match adjacent slope.

DANNY WOO COMMUNITY GARDEN

DANNY WOO GARDEN PERMIT AREA

KOBE TERRACE PARK

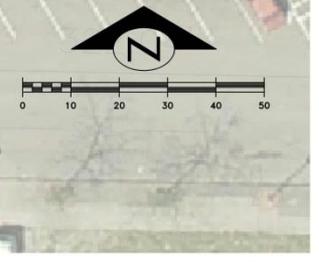

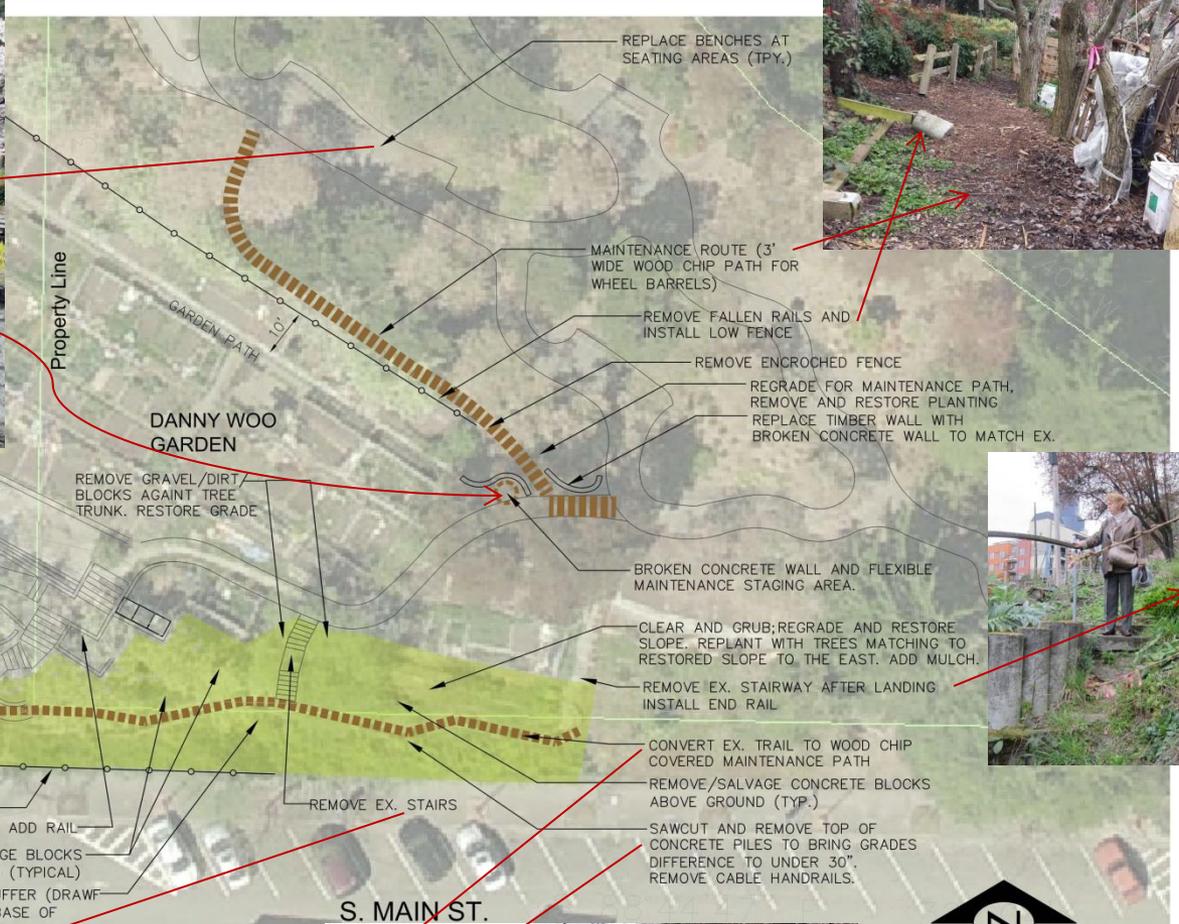

AREA TO BE RESTORED BY PARKS

Property Line

S. Main St.

Proposed Improvements

Slope Planting

Landscape Front along S. Main St.
 Create landscape buffer for Kobe Terrace along S. Main St. with flowering cheery trees, shore pines, dwarf bamboo, shrubs & groundcover.

BOTANICAL NAME	COMMON NAME	SPACING	SIZE
