

# LINCOLN PARK NORTH PLAY AREA RENOVATION

Seattle Parks and Recreation is renovating the Lincoln Park North Play Area. Please join Seattle Parks and Recreation in-house landscape architect and project planner at the Southwest Teen Life Center's Thanksgiving Dinner event which will feature an opportunity for input on this project. We will have an open house to show design options and gather your input on play features from 5:30 – 6:30 p.m. Your ideas, comments and recommendations will assist us with creating a preferred design to renovate your play areas.

This project will replace play equipment, provide access improvements and improve other features at the park. The scope of these projects provides improvements to bring the play area into compliance with current play area safety standards and Americans with Disabilities Act (ADA) access.
