

# Arboretum Loop Trail

## LoopTrail.seattle.gov

## CONSTRUCTION NOTICE

November 9, 2017

### PATHWAY TO OPEN NOVEMBER 10, 2017

The new Loop Trail will open to cyclists and pedestrians on Friday, November 10.

**CYCLISTS ARE WELCOME IN THE ARBORETUM ON THE NEW LOOP TRAIL AND OTHER PAVED PATHS ONLY. PLEASE OBSERVE THE 10 MPH SPEED LIMIT AND YIELD TO PEDESTRIANS.**

Construction work is ongoing with many small tasks remaining along the mile of new trail. Trail users can expect crews along the length of the trail over the coming months. The Birch Parking Lot will remain closed to the public as we continue to move material and equipment.

We will route users around the construction activities using notifications and signage for the project duration. We appreciate your continued patience as we work to complete your new Loop Trail.

#### Traffic impacts

- Construction traffic turning on/off Lake Washington Boulevard south/north of the Wilcox Bridge (Location 4 on the map)
- Construction traffic turning on/off Lake Washington Boulevard at the Birch Parking Lot (location 3 on the map)

#### Upcoming construction activities

- Users shall encounter contractor personnel along the length of the trail
- Signage will continue to update pedestrians on access routes, PLEASE USE DESIGNATED ACCESS POINTS AND EXISTING CROSSWALKS WHEN CROSSING LAKE WASHINGTON BOULEVARD AND FOSTER ISLAND DRIVE.**

### WHAT TO EXPECT DURING CONSTRUCTION

- Typical work hours from 7 AM to 5 PM on weekdays
- Increased construction traffic on Lake Washington Boulevard
- Ongoing work on both sides of the path open to the public (location 1 to 5 on map at right)
- Closure of the Birch Lot to parking (location 3 on map at right)
- Pedestrian traffic routing around construction
