LOYAL HEIGHTS PLAY AREA RENOVATIONS

We need your input! Seattle Parks and Recreation is installing new play equipment and improving the accessibility at the Loyal Heights Play Area. Please join Seattle Parks and Recreation's Planner, Project Manager and Sr. Landscape Architect to discuss ideas about the design and provide input on new play equipment.

We are hosting two meetings to inform you about the project and gather your input. The first meeting will be an opportunity to learn about the project and provide input on play equipment and the overall design for the play area. The second meeting will be an opportunity to review the preferred design and provide input on any final changes that may be desired.

Please participate in our survey online - closed December 2017
