

WE NEED TO HEAR FROM YOU!

NORTH RAINIER LANDBANKED SITE PARK PROJECT

We need your input! In collaboration with the community, Seattle Parks and Recreation is designing a new park in your neighborhood. Please join Seattle Parks and Recreation’s Planning and Development Division’s staff to provide ideas about this exciting new park development. The North Rainier Landbank site is across from the Safeway parking lot at 3655 35th Ave S.

We will have an Open House type meeting to show design options and hear what you like the most.

Funding for this park project is provided by the Seattle Park District to preserve open space in urban areas throughout Seattle. This project will provide additional open space for the North Rainier community. Seattle Parks and Recreation is working with a partner who will provide additional funding for the installation of adult fitness equipment at four parks in Seattle. North Rainier Landbank site is being considered for such fitness equipment. Seattle Parks and Recreation will work with the community to design this open space and gather input on the proposed fitness equipment.

The entire community is encouraged to attend. Light refreshments and craft activity will be available.
