

YOU ARE INVITED!

VOLUNTEER PARK AMPHITHEATER

Visit us in the park and view the final design for the Volunteer Park Amphitheater during Fall Restoration Day in Volunteer Park. The amphitheater design is based on outreach with the community, and input from the Friends of Seattle Olmsted Parks and the Landmarks Preservation Board. The new amphitheater will be fully accessible, have overhead weather and sun protection for the performers and include public restrooms. Come meet the design team, view the design and learn about the next steps.

The Seattle Park District Major Projects Challenge Fund provides \$900,000 toward the design and construction of the new amphitheater. Volunteer Park Trust will match the Major Projects Challenge Fund award. They are currently working on fundraising and have secured grants from 4Culture and The Washington State Department of Commerce. Please visit <http://bit.ly/>

To learn more about the Fall Restoration Day in Volunteer Park visit: volunteerparktrust.org
