

Hygiene Services for Seattle Public School Students

Seattle Parks and Recreation is making showers and restrooms available free of charge to Seattle Public School youth in need (and their immediate family). When arriving at a swimming pool, just show current Seattle Public School identification. Locker room use is limited to 15 minutes, no fee applies, and a towel is provided without cost. Times are after school hours and on weekend afternoons; effective through June 22, 2018. (updated 11/02/17)
