Basic Tournament information :

Amy Yee has a long history of amazing and fun tournaments and has historically offered eight (8) tournaments a year. We are currently looking to host creative and unique new ones.

All Amy Yee Historical tournaments are fundraisers. All proceeds from Tournament with Amy Yee in the name help raise money for either our youth scholarship fund, which helps provide 50% scholarship for youth that qualify to help them take tennis lessons and provide an opportunity they otherwise might not have!

All other tournaments are also fundraisers, which go towards expanding the capacity of Amy Yee Tennis Center, whether that's looking into heat, covering outdoor tennis courts and much more.

Did you know you can actually make a tax deductible donation to either of these funds.? Call us at 640-684-4764 to find out more.
