Private Lessons

Options

1. One-time scheduled lessons offered on Select days and times. We assign the teaching pro and you just have to show up. Contact us for details
2. Talk with an AYTC teaching pro and see if they are available. You figure out day and time that works for both of you and then the pro schedules the lesson.
3. Same as option 2, except you give us your information and what you are looking for and we provide it to the instructors. Follow up timeline can be long.
4. **Do you need just a little bit more time? Add 15 extra minutes to your lesson for a small fee. Check with the front desk or your pro**

Any Time

You can book a lesson anytime we have an open teaching court on courts 1-7

Sorry no outside teaching pros.

Types of Lessons

Traditional Instructional: Pros work on development of strokes, movement, court positioning, strategy and much more

Hitting Lesson: This can include elements of a traditional lesson, although is usually simply designed as more of a hitting, playing single concept

Didn't hear back?

It can take quite a while to hear back from a pro, especially if using Option 3. And you may want to re-contact the center.
