

Seattle Police Department

Directive

March 16th, 2015

Directive Number 15-00017

Interim Policy: *Terry* Stop Data Collection Pilot Project

The Department will be conducting a pilot project on a new template for *Terry* stop data collection. The pilot will be held in the East Precinct.

All East Precinct officers shall use the *Terry* stop data collection template when completing a Street Check or General Offense Report related to a *Terry* stop. All other officers shall continue to document *Terry* stops on a Street Check or General Offense Report, but without using the template.

This interim policy will remain in effect until rescinded or incorporated into the Seattle Police Manual. Officers may consult Manual Section 6.220 – Voluntary Contacts, *Terry* Stops & Detentions for more information about Department policy related to *Terry* stops.
