Transfer \$ \_\_\_\_\_ from my City of Seattle Voluntary Deferred Compensation Plan to my account with the Seattle City Employees' Retirement System for the express purpose of purchasing retirement service credit. The amount to be transferred shall be no more than the cost of the retirement service credit purchase, or the current balance of my City of Seattle Voluntary Deferred Compensation Plan account balance, whichever is less. Mail transferred funds to: City of Seattle, Retirement, FAS Treasury Cashiers, P.O. Box 94766, Seattle, WA 98124-7066.

I have obtained the signature below from Seattle City Employees' Retirement System, acknowledging that this amount does not exceed what is needed for the purchase of retirement service credit.

I understand that transfer of these funds will remove them from consideration as 457 deferred compensation plan assets and, therefore, they will not be eligible for any of the provisions under the 457 plan, such as hardship withdrawals. I understand that these funds will be transferred as soon as administratively possible and that they will not accrue earnings or losses during the transition. I have read this form completely.
