10. All Real Estate returns are lagged one quarter.

11. The benchmark changed retroactively from NCREIF NPI to NCREIF ODCE for all time periods measured beginning with SCERS' 4Q2011 report. The retroactive change to the benchmark reflects that SCERS' real estate managers have been utilizing leverage historically. The new benchmark was approved by the Board at its meeting on 1/10/2012.

* See appendix for Real Estate disclosures and notes.
