Location: Blaine School
Team Members: Hadley Greene

Overview

Project team members staffed a small table at the Farmers Market with the traveling display, aerial photo and handouts introducing Alternative C. Between 30 to 40 people stopped by to review the alternatives and ask questions. Two citizens signed up to be added to the project mailing list.

Questions/Comments

- When will construction begin?
- When will the final design be chosen?
- Why was Alternative C added after it was already taken out of consideration?
- The City is doing a good job of informing and involving the community.
