**WHAT IS A NEIGHBORHOOD GREENWAY?**

Neighborhood greenways are safer, calmer residential streets for you, your family, and neighbors. We make people walking and biking the priority. Neighborhood Greenways connect people to schools, parks, community centers and the citywide walking and biking network.

Making residential streets safer and calmer for you, your family, neighbors and customers

**Coming 2020**

**NEIGHBORHOOD GREENWAY: Wedgwood to Roosevelt**

### PROJECT DESCRIPTION

The Wedgwood to Roosevelt Neighborhood Greenway will provide a safer connection for people walking and biking between the Wedgwood Neighborhood Greenway (39th Ave NE) and the Roosevelt neighborhood. The Wedgwood to Roosevelt neighborhood greenway will enhance safe access for students walking and biking to Roosevelt High School and the Northeast Branch Seattle Public Library. The greenway will connect people between protected bike lanes, an existing neighborhood greenway, future Roosevelt Light rail station, and the Burke Gilman Trail.

The Wedgwood to Roosevelt Greenway will be installed after crossing improvements are made in coordination with Vision Zero and the AAC Paving Project team.

### TELL US WHAT YOU THINK

We want to hear from you. How would you make the entrance to Ravenna-Eckstein Park & Playground more visible from NE 68th St? You can sketch up an idea, or tell us what's unique about your neighborhood to use in a concept design by January 24th, 2020. Final concept development will be in spring 2020.

Idea sheets available at the park entrance kiosk and Northeast branch Seattle Public Library. Online idea sheets can be found here: [www.seattle.gov/transportation/Wedgwood\\_to\\_Roosevelt](http://www.seattle.gov/transportation/Wedgwood_to_Roosevelt)
