

## Nighttime paving on Swift Ave S and I-5 ramp closures scheduled to begin as early as Tuesday, April 23; southbound traffic detoured

Crews are preparing to pave Swift Ave S between S Albro Pl and Beacon Ave S (see map on next page). Crews may begin work any day between Tuesday, April 23 and Thursday, April 25, depending on weather conditions. Work is weather dependent and subject to change

**Work hours from 7 PM – 7 AM.** Crews have a temporary noise variance to do night work.

- **Nighttime paving the week of April 22**  
Crews will focus work on one side of Swift Ave S to maintain one lane of northbound traffic, then flip to the other side. Paving will take approximately 3 nights to complete.
- **Pavement takes 4 to 6 hours to cure**  
Crews will open driveways as they are ready.
- **Anticipate driveway and parking access to be impacted for a minimum of 1 night**  
Emergency access will be maintained at all times during this work.

Example of crews paving the street

### I-5 ramps closed at 8 PM; southbound traffic closed between S Albro Pl and Beacon Ave S

- I-5 northbound ramp at Swift Ave S and S Graham St will be closed
- Exit 161 northbound to Swift Ave S and S Albro Pl will be closed
- Use S Columbian Way to get on / off I-5
- Southbound traffic on Swift Ave S will be detoured to S Columbian Way, northbound traffic will be maintained
- Access to Swift Ave S from side streets will be closed. Please access residences from Beacon Ave S.
- You will NOT be able to go in or out of driveways or parking lots

### WHAT TO EXPECT DURING PAVING

- You will NOT be able to go in or out of driveways or parking lots when the road is closed and paving is in process from 7 PM to 7 AM
- Please use driveways and side streets east of Swift Ave S when trying to park and walk to homes and businesses if you need to leave before 7 AM
- Once Swift Ave S is open, access to cars for people walking will be maintained when parked in driveways and on side streets; please use designated crossings for your safety
- Expect noise, tar-like odors, and large equipment
- Fresh pavement is hot, oily, and extremely sticky. Please keep off new pavement if you are walking, especially with dogs, as the oil and pavement can harm their feet and be difficult to remove from fur.
- Emergency vehicles will be provided access
- If you have accessibility concerns or concerns about nighttime paving, please contact us right away: 206-256-5227
