Green Lake Area Paving Projects

These streets are scheduled for paving as soon as 2019. These projects create opportunities to improve street safety and move people and goods more efficiently in a growing Seattle.

We want to hear from you. Learn more about the projects and share your thoughts about getting around your neighborhood by completing our online survey.

Take our survey through May 7

Next month, look for an invitation to an upcoming drop-in event in your neighborhood to see early concepts. We'll also post materials on our website.
