Our mission, vision, and core values

Mission: deliver a high-quality transportation system for Seattle

Vision: connected people, places, and products

Committed to **5 core values** to create a city that is:

- Safe
- Interconnected
- Affordable
- Vibrant
- Innovative

For **all**

Why construct the project?

- Requested by you!
- Increases safety for people walking including students and bus riders
- Adds new school drop-off zone and on-street parking
- Simplifies intersection for all travelers
- Activates business district with new plaza

NSF application design

- S Columbian Way bulbs into 15th Ave S
- Full signal includes access to S Oregon St
- Increased delay at S Columbian Way
- Pedestrian safety compromised due to vehicle conflicts at crosswalks

Revised NSF concept

Artistic design elements

What we're hearing

- Support for pedestrian improvements
- Concern about parking changes
- Request to identify other locations to make a protected left-turn on to 15th Ave S

What do you think?

- Do you have ideas for options to the left-turn restriction at S Oregon St?
- What would you like to see in the new plaza?
- Do you have recommendations for keeping people up to date about the project?

Next steps
