Seattle Free-Floating Bike Share Program

Summary

• Ridership in February 2020 rose above January 2020 and February 2019 totals.
• February saw a steady rise in trips throughout the month.
• Jump replaced a large number of bikes towards the end of the month, causing the spike in fleet size shown below.

Total trips

In February 2020, bike share users took about 80,000 trips¹ on a fleet of about 2,400-3,800 bikes.
