WESTLAKE AVE N
RESTRICTED PARKING ZONE

Seattle Department of Transportation
Restricted Parking Zone (RPZ) Notice of Decision

The Seattle Department of Transportation (SDOT) has considered public input and is defining the western boundary of Restricted Parking Zone (RPZ) 25 to include all residences with Westlake Ave N addresses on the west side of Westlake Ave N that are north of Crockett St in Zone 25. This boundary allows residents who currently have RPZ 25 permits to remain eligible and is consistent with the current policies and practices of the RPZ program.

A public hearing regarding this topic was held July 23, 2015. There were 29 attendees at the hearing and SDOT received a total of 42 comments both through the hearing and by phone and email through July 31, 2015.

The boundary reflects the distinct differences in development and use occurring on the west side of Westlake Ave N, and recognizes Crockett St as a natural RPZ boundary.

There will be no changes to RPZ eligibility for residents who live on the east side of Westlake Ave N.
