Survey Results:
Wallingford on-street parking survey

March 2018
How to read these results

• Respondents were asked a slightly different set of questions based on how they answered the first survey question.

• The description in parenthesis before a question tells you which group of respondents was asked that question.

• The “n= #” in the bottom corner tells you how many respondents submitted an answer to that question (answers were not required for each question).
Are you primarily a Wallingford:

- Resident: 90%
- Business owner/employee: 4%
- Visitor: 4%
- Other (please specify): 3%

n=561
