

Wing Luke Elementary Safe Routes to School Project

2-MONTH WESTBOUND S CLOVERDALE ST CLOSURE BEGINS AS SOON AS JANUARY 15

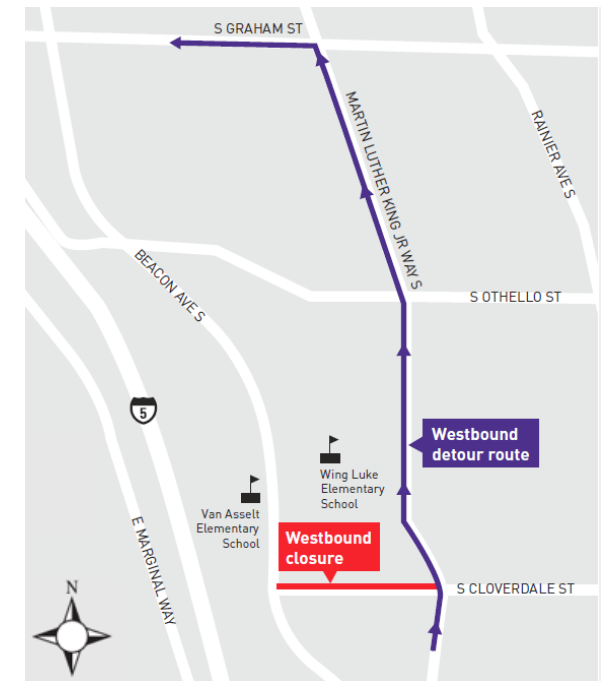

Work to construct new sidewalks, marked crossings, and curb improvements in your neighborhood is continuing west down S Cloverdale St towards Martin Luther King Jr Way S. Due to the narrow width of S Cloverdale St, crews will close westbound S Cloverdale St from Martin Luther King Jr Way to Beacon Ave S for up to two months starting as soon as January 15. Eastbound traffic on S Cloverdale St will remain open, and access will be provided to homes on the north and south sides of the street. Drivers heading westbound will be detoured to S Graham St.

Crews will start work on 37th Ave S following the detour. We expect overall construction to last through April 2018, depending on the weather. Please call or email with questions about the detour.
