Lowell-Meany Greenway & School Safety Project construction starting as soon as Wednesday, January 8

PROJECT OVERVIEW
We’re making safety improvements as part of our Safe Routes to School (SRTS) program to make it safer and easier for kids to walk and bike to Lowell Elementary and Meany Middle School. These improvements will create a new neighborhood greenway linking the two schools.

WORK AT 17TH AVE E AND E REPUBLICAN ST
As soon as Wednesday, January 8, we will install accessible curb ramps and pavement repairs on the west side of the intersection. We will also trim vegetation to enhance visibility for all users. To complete this work safely and efficiently, 17th Ave E and E Republican St will have temporary closures to through traffic. (See map at right.)

Thank you in advance for your patience during this work!

CONSTRUCTION SCHEDULE
Construction is anticipated to start as soon as Wednesday, January 8 and last approximately 8 weeks. This schedule is weather dependent and subject to change.

WHAT’S NEXT
Once work is complete at 17th Ave E and E Republican St, we will continue work along the route. Please check the project webpage for updates and more schedule details.

WHAT TO EXPECT
We will minimize construction impacts as much as possible. During construction, please expect:

- Typical weekday work hours of 7 AM – 5 PM, Monday through Friday
- Noise, vibrations, dust during work hours
- Temporary closure to through traffic of E Republican St and 17th Ave E (see below)
- Signage and flaggers to direct people around the work zone, including temporary detours
- “No Park” signs placed in work area 72 hours in advance of work starting
- Equipment and materials in the work area

Map of work area including anticipated temporary detours and road closures.
