

## 30th Ave S crossing improvements starting as early as Monday, March 25

### PROJECT OVERVIEW

In 2019, we will make crossing improvements to several intersections throughout Seattle to improve safety and access for people walking, biking, and driving. The improvements along 30th Ave S and S Graham St include new curb bulbs and a Rapid Flashing Beacon. This work will improve the connection to the nearby Chief Sealth Trail. To complete work safely and efficiently, 30th Ave S will be closed to through traffic between S Graham St and S Raymond St.

**Thank you in advance for your patience during this work!**

### SCHEDULE

Construction is expected to start as early as Monday, March 25 and last approximately 4 - 6 weeks. Crews will generally work 7 AM to 5 PM, Monday through Friday.

### WHAT TO EXPECT

**We will minimize construction impacts as much as possible. During construction, please expect:**

- 30th Ave S will be temporarily closed to through traffic
- Lane restrictions and/or pedestrian detours; signage and flaggers to direct people through work zone
- Noise, vibrations, and dust during work hours, Monday-Friday 7AM – 5PM
- Equipment and materials near the project area
- “No Park” signs placed in work area 72 hours in advance of work starting

Improvements at 30th Ave S/S Graham St. Image not to scale.
