Upcoming weekend work for crossing and transit improvements along 23rd Ave E/24th Ave E

CONSTRUCTION NOTICE

Upcoming Weekend Work for 23rd Ave E Vision Zero Project!

TEMPORARY STREET CLOSURE AND BUS STOP RELOCATION/CLOSURE

On the weekends of October 23 and 30, we will close E John St between 22nd and 23rd Aves*. During this closure we will install utilities and restore the street. Crews will be working from 7 AM – 10 PM each weekend with the noisiest work complete by 8 PM. We anticipate the street will reopen each Sunday afternoon.

There will be temporary disruptions to driveway access and temporary sidewalk closures on E John St. Detour routes for people walking and biking will be marked. Flaggers will be on site to help provide access to driveways and detour routes for residents. See closure map below.

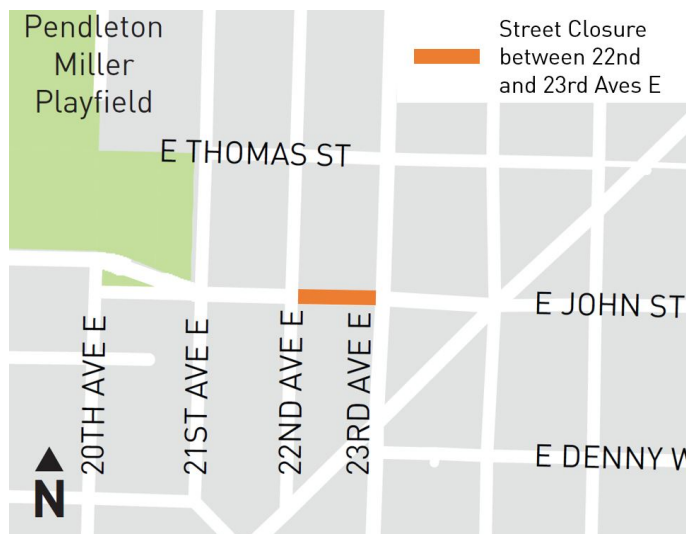

The eastbound bus stop on E John St will be temporarily closed during this work. Visit King County Metro's Service Advisories page for more information:
