ALKI INSPIRATION

VISUAL CUES & THE LAYERED STORY OF ALKI

ALKI PUMP STATION 38 – Artwork Concept

The Artwork for Alki Pump Station 38 seeks to create an engaging and thoughtful space in which visitors can participate in the richly layered story of this well-loved site.

MATERIALS

Saw-cut lines & sandblast patterning

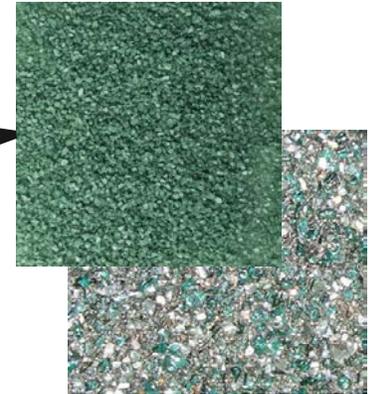

Iridescent tile and retroreflective grout

Sparkle Grain

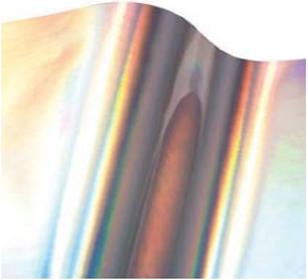

Glass/Epoxy coating & aggregates

UTILITY BOXES

Iridescent vinyl materials will extend the design while sharing the history and present-day use of the site through the artwork:

IRIDESCENT VINYL
SAMPLES

WEST SEATTLE TOPOGRAPHIC MAP REFERENCE (printed in 1894)

UTILITY BOX EXAMPLE/POSSIBILITIES
