SFAB Membership Drive

Seattle Freight Advisory Board
Ron Borowski, SDOT
October 20, 2015
Our mission, vision, and core values

**Mission:** deliver a high-quality transportation system for Seattle

**Vision:** connected people, places, and products

Committed to **5 core values** to create a city that is:

- Safe
- Interconnected
- Affordable
- Vibrant
- Innovative

For **all**
Direction

- Invite new members
- Board history
- Status
- Discussion
The Board

• Seattle Freight Advisory Board (FAB) was founded by Resolution 31243 (2010)
• Predecessor advisory committee was Freight Mobility Advisory Committee (2002-2009)
• Advises the Mayor, the City Council, and all departments and offices of the city in the development of a functional and efficient freight system, and on all matters related to freight and the impact that actions by the city may have on the freight environment.

The Board Shall:

• Facilitate City policies, plans and projects to support local, regional and state freight mobility efforts, to help ensure a functioning regional and state freight system
• Provide input on City policies, plans and projects as they may relate to freight capacity, safety, access and mobility throughout the City, with a particular focus on the City's industrial lands, and the business they support
• Participate in the regular update of the Freight Mobility Strategic Action Plan and revisions of the Transportation Strategic Plan
• Designation of major truck streets
• Provide comment on planned freight mobility projects
• Prepare an annual report to the City Council work on program and achievements
