Rally – Celebrate – Collaborate!

Celebrate the 25th anniversary of the signing of the Americans with Disabilities Act (ADA) on Wednesday, July 22. The event is a collaboration of more than 100 disability connected organizations and supporters to celebrate the positive changes the ADA has made in the lives of people with disabilities, and to highlight where we still need to work for full inclusion and equity for all.

Who needs to be at this event:

- Community partners
- Organizations serving the disability communities
- Business, government and other allies to the disability community
- And most importantly, **people with disabilities to celebrate together!**

Community partners:

Our community partners consist of state agencies, City of Seattle, Washington State Business Leadership Network, community based service organizations, to name a few. Please see attached for our Community Partners list.

25th ADA Celebration and Rally ***July 22, 4-6 PM Westlake Park***

This event will be fully accessible and model how public events should build and implement an accessibility plan for full public participation, including people with disabilities.
