LOCATION

Please identify the space(s) or block you want to use. In areas with **paid parking**, you can find the parking space numbers on the round metal plates bolted to the sidewalk. Include those numbers in the space below. In areas with **unpaid parking**, describe as accurately as you can the location of the project, including adjacent addresses and businesses. If you want to use the parking spaces along the length of a block, please list the side of the block and the cross streets.

- Unpaid Parking
- Paid Parking

List parking space numbers:

SOO-01-13, SOO-01-15 for pop-up park

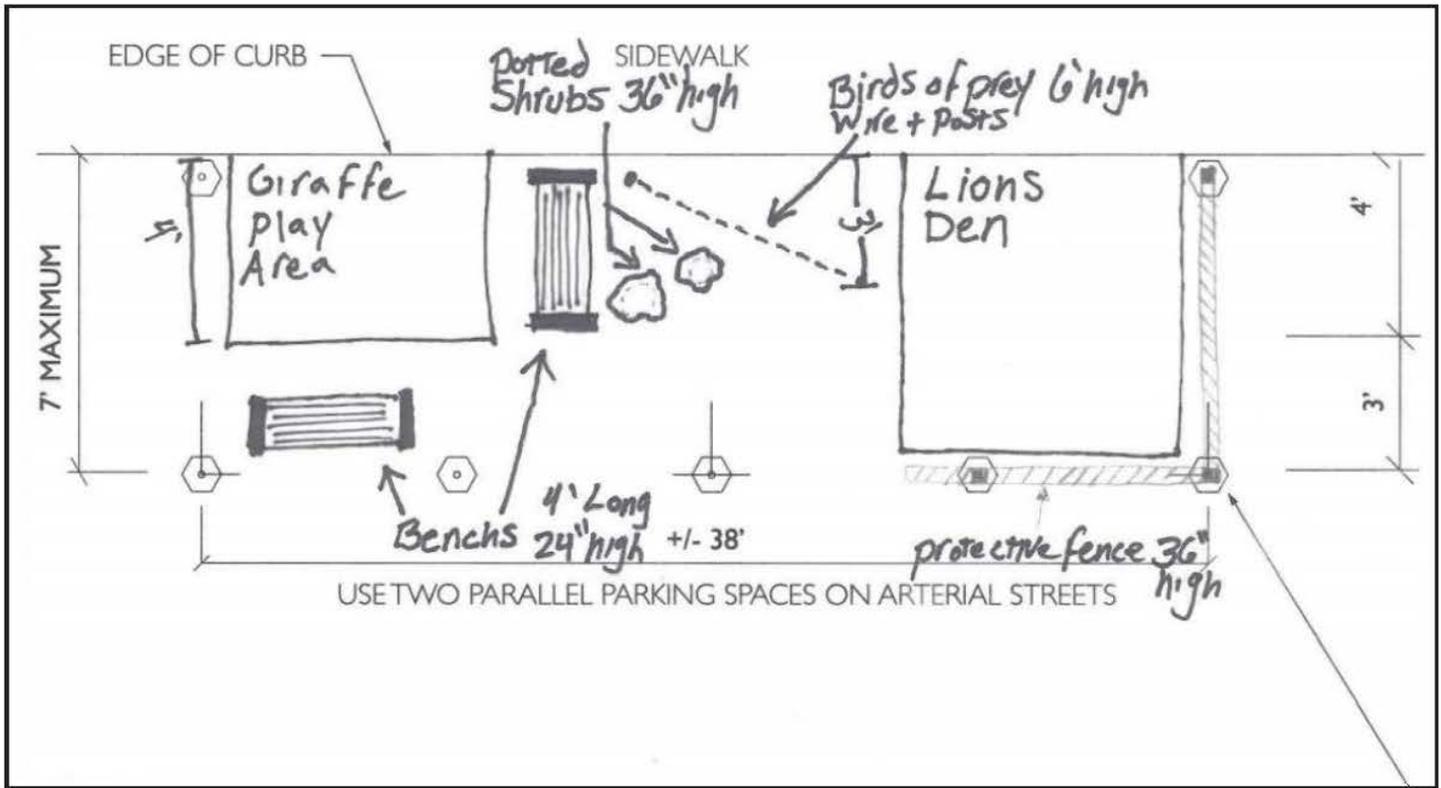

Description of location (required for paid and unpaid parking spaces):

West side of Occidental Ave S north of S Washington St for pop-up park

South side of NE 65th St between 8th Ave NE and 9th Ave NE for PBL

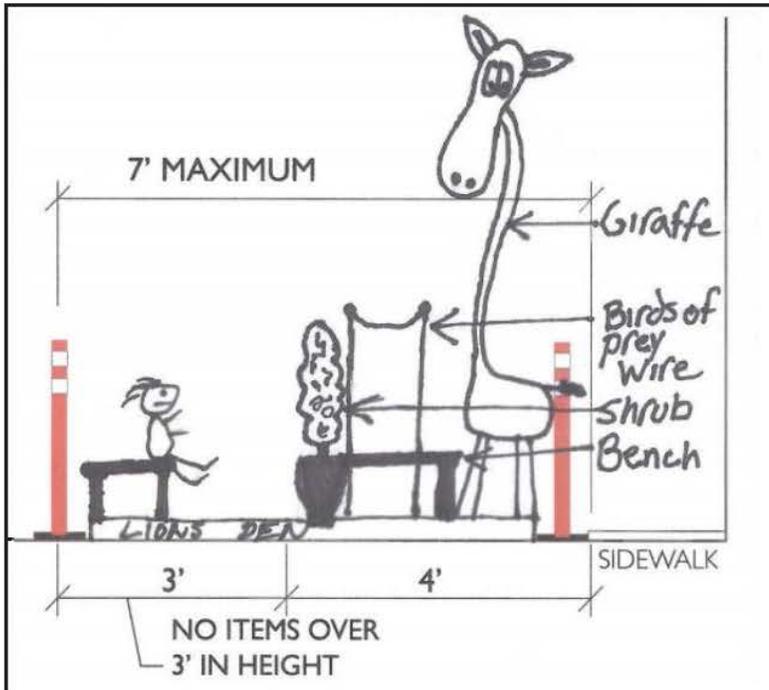

SITE PLAN

Pop-up Parks

SITE PLAN: TOP VIEW

Use a min. of seven 36" posts to protect space on arterial streets. Use a min. of five on non-arterial streets.

SECTION: SIDE VIEW

PLAN MUST INCLUDE:

- A) Items to be placed in or activities to occur in the parking space(s)
- B) Height of items and setback dimensions from the curb
- C) Traffic control device (i.e., cones or posts) placement

Please take a look at the PARK(ing) Day Plus+ guidelines for an outline of appropriate activities and items for your park.

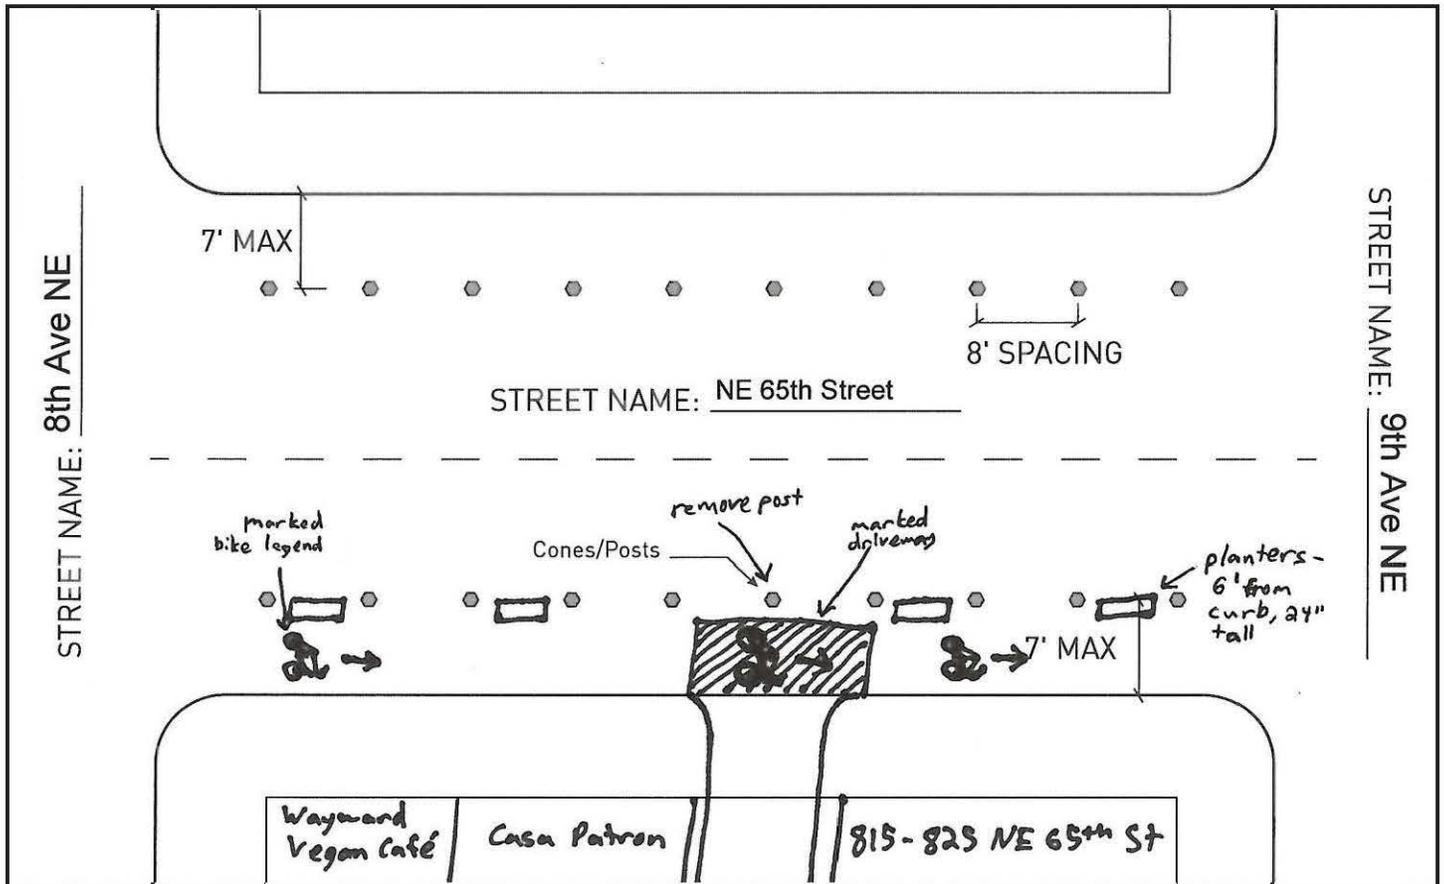

PLEASE PROVIDE A BRIEF DESCRIPTION OF YOUR PARK ACTIVITIES:

Our park will feature an "urban jungle" with plants, turf, seating, and a giraffe.

Please respect the animals, they are wild.
