

*BOTH CIRCLES ARE
BEING NOMINATED AS
A GROUP.*

42 Ave SW & SW Dawson

Spring 2003 Last years Winner in the “Just for Fun” Category

Categories entered: Best Habitat in the Round Volunteers: Ted Kitos & Neighbors Years: 5.5

Year Built: 1999 Size: 22’

Description: The stewards of this circle have cared for it since it was built in 1998. The plants are regularly maintained and the litter picked up. It really helps to slow traffic.

Plant List: Spirea, Escallonia (dwarf), Scabiosa columbaria, Hollyhock, Coreopsis ‘Sterhaler’, Helianthemum ‘St Mary’, Dusty Miller ‘Silver Slipper’, Oenothera, Shasta Daisy, African Daisy, Columbine, Lavender, Tassel fern, Penstemon.

42 SW & SW Hudson

Volunteers: LeeAnn & Roger McMillen Years: 2
Year Built: 2000 Size: 12 X 24.5

Description: This traffic circle garden is just one block north of 42SW & SW Dawson and neighbors often collaborate to support each other. The garden is neatly tended and well mulched. The flagging tape is to deter drivers from running over the circle, which has happened once already.

Partial Plant List: Flowering Cherry trees, Lavender, Barberry, and Annuals.
