

# June 6 open house

on the Center City Connector Transit Study

5:30 - 7:30 pm | SLU Discovery Center | 101 Westlake Ave N (@ Denny)

Connect the streetcars through downtown,

*connect neighborhoods*

and everything in between.

The Seattle Department of Transportation is looking at ways to connect Center City neighborhoods, and link the South Lake Union and First Hill streetcars through downtown.

Come learn about different ways for making that happen. We'll be presenting streetcar options for 1st Avenue and a 4th/5th Avenue couplet. You'll have an opportunity to ask questions, learn about trade-offs, and let us know which option you like best and why.

Your ideas will move the project forward, toward selecting the best downtown street for this new streetcar.

For more information, or to request accommodation or interpretation, please contact Allison Schwartz at [allison.schwartz@seattle.gov](mailto:allison.schwartz@seattle.gov) or (206) 386-4654.
