

KING STREET STATION

r e s t o r a t i o n p r o j e c t

The Seattle Department of Transportation (SDOT) and its contractor, Biwell Construction, are making a series of exterior building improvements to the landmark station. This work will be substantially completed in June 2009.

PROGRESS REPORT

CLOCK TOWER

- ✓ Repaired and re-installed final on top of the station tower roof
- ✓ Completed repairs to tower's glass tile roof
- ✓ Completed repairs to four station tower clock faces
- ✓ Refinished & painted clock arms & numbers
- ✓ Installed new interior clock lighting
- ✓ Removed the tower's 45' antenna and two microwave dishes

STATION EXTERIOR

- ✓ Repaired the station's neon "King Street Station" sign
- ✓ Completed removal of existing roof tiles
- ✓ Installed water proofing and structural decking on station roof
- ✓ Completed drainage improvements - Installed new roof gutter system and copper flashing
- ✓ Completed installation of new ceramic roof on main station tower
- ✓ Installed new parapet cap similar to the original

STATION INTERIOR

- ✓ Completed asbestos abatement in select areas of the station
- ✓ Installed new catwalk system in the station's attic for future maintenance
- ✓ Completed debris removal and clean-up of station 2nd & 3rd floors, attic and tower

RESTORATION GOALS

Restore station's historic character

Make seismic & structural upgrades

Incorporate sustainable design elements

Create a major transportation hub

YOU ARE INVITED - OPEN HOUSE

Tuesday, May 12, 2009
4:00 PM to 6:00 PM

International District/Chinatown
Community Center
719 8th Avenue South (cross street Dearborn Street).

UPCOMING WORK *Please note that some of this work is weather dependent.*

- Repair and regROUT parts of station tower
- Clean brick and terra cotta between 10th and 12th floor of the clock tower
- Install new exterior station lighting to station tower
- Remove antenna and related support structure outside clock tower glass pyramid roof

WHAT TO EXPECT DURING CONSTRUCTION

Some temporary parking restrictions and additional truck traffic will occur. Expect moderate noise and dust.

Normal work hours will be 7 a.m. – 4:00 p.m. weekdays, with occasional night-time and weekend work.

Access to and from King Street Station will be maintained at all times.

The project team is committed to working with the community to minimize construction impacts.

Please share this update with anyone who you think might be interested in the restoration of King Street Station.
