

This April, the Mercer Corridor Project will begin our next phase of construction, known as **Mercer West**, between Dexter Avenue N and 5th Avenue W. Join us at an open house to learn about upcoming construction, traffic impacts and detours, and to meet the contractor and project team.

You're invited to:

- Learn about upcoming construction, including:
 - Reducing Mercer Street to two eastbound lanes between 5th Avenue N and Dexter Avenue N
 - Reducing SR 99 to two lanes in each direction between Harrison Street and Valley Street
- Meet the project team and contractor
- Share your comments and ask questions about upcoming construction
- Learn how you can stay informed throughout construction

"Meet the Contractor" Open House
