

Construction Update

The following construction activities are ongoing or about to begin:

- **Mercer St. east of Fairview Ave. N:** The block of Mercer St. between Fairview Ave. N and Minor Ave. N will be **temporarily closed on Thursday, June 30**, from 7:00 a.m. to 5:00 p.m. to accommodate saw-cutting of the roadway in preparation for utility installations beginning July 5. The road will be reopened for July 1 – 4. Local access is being coordinated with property managers.

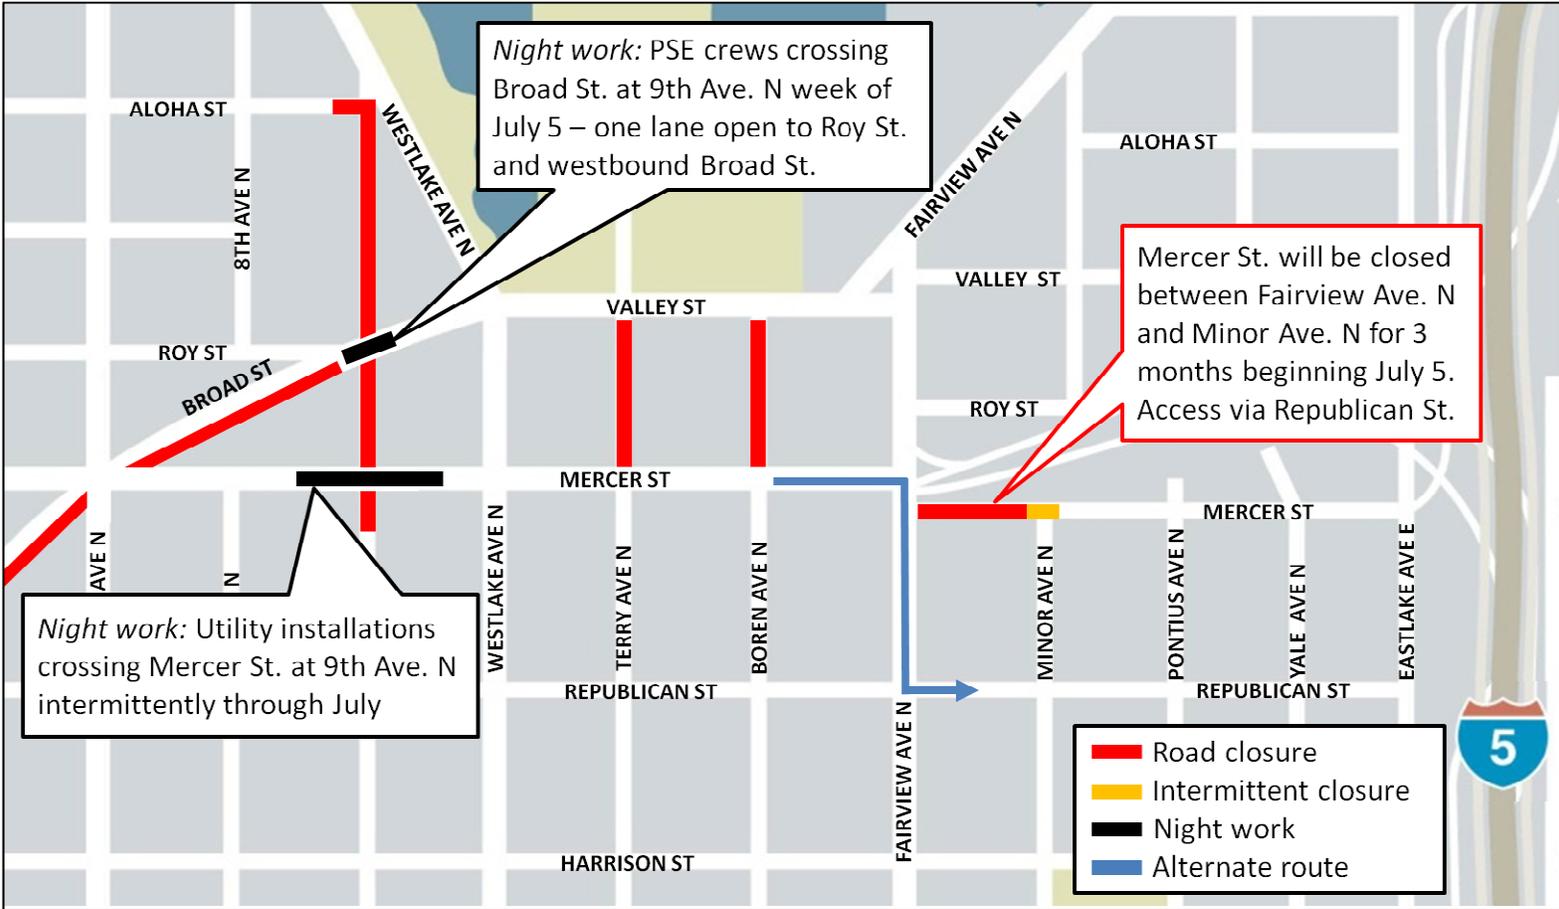

Beginning July 5, this block of Mercer St. will be closed for approximately three months for utility installations and road reconstruction.

- **Night work crossing Broad St. at 9th Ave. N:** PSE crews will install gas utilities crossing Broad St. at 9th Ave. N beginning as early as July 5. Installation is expected to take one week and one lane of Broad St. will remain open accessing Roy St. and westbound Broad St.
- **Continued intermittent night work crossing Mercer St. at 9th Ave. N:** Mercer St. will continue to have up to three lanes closed intermittently overnight for utility installations. Weeknight work hours are from approximately 7:00 p.m. to 5:00 a.m. Closures will not occur during the holiday weekend of July 1 – July 4.
