

## Route Options: Stage Two of Mercer East Construction

Updated: January 31, 2012

During Stage Two of Mercer East Construction, traffic on Mercer St. will be rerouted to newly built lanes just north of the existing roadway. This map illustrates recommended routes to I-5 and SR 99 during the first portion of Stage Two and will be updated as conditions change. Highlights include:

- Three eastbound lanes of Mercer St. accessing I-5.
- No access to Mercer St. from the south from Boren Ave. N, Terry Ave. N or Westlake Ave. N – access maintained on 9th Ave. N and Fairview Ave. N. from the south, and on 9th Ave. N, Terry Ave. N and Westlake Ave. N from the north.
- Upcoming lane restrictions on Fairview Ave. N between Mercer St. and Harrison St. to one northbound lane and two southbound lanes.
