Access U-District

By bike, bus or car it's easier than ever to get to the U-District.

How Parking Validation Works

Validation makes it easy to shop in the U-District. Shop at any of the participating businesses and ask about parking validation. You can get 1 token good for 1 hour of parking in any of the lots on the map to the left.

This program is brought to you by the U-District Parking Associates (UDPA) and U-District merchants. UDPA lots accept a maximum of 2 tokens per customer. Each token is good for 1 hour of parking. Tokens have no cash value.

Merchants can also purchase discounted bus tickets for their employees and participate in Home Free Guarantee, freeing up even more parking for customers. To learn more about these and other aspects of the program go to the University Neighborhood Service Center.

Questions? Contact UDPA at (206) 527-7006 or via e-mail at mikec@udpa.org
