Printing Tips

If you are experiencing problems printing either your submittal or the public notice page, please check the following:

Java Script Disabled – If you have disabled Java Script, please use your browser's file/print option.

Firefox Internet Browser on a PC - Check the print scale to ensure that it is set to 100%.

Safari Internet Browser on a MAC –

- If you are using a MAC computer with a Safari Internet browser, you may experience problems printing the Public Notice Page. If you are able to use an alternate computer or browser, please do so. If you use the browser's 'Print' button instead of the form 'Print' button, the output is scaled to full page. If you use the 'Print' button on the form the 'No Park' posting is small.
