

Parking Just Got Easier!

SeaPark

The SEATTLE DEPARTMENT of TRANSPORTATION has a new approach to ensuring access in downtown and neighborhood business districts with on-street paid parking.

The **SeaPark** system provides neighborhood visitors and shoppers with easier, and more convenient on-street parking. Below are

new programs to help make your next parking experience easier.

VALUE

◀ BEST VALUE

Look for the green check mark to find the Best Value parking blocks, with **lower rates or longer time limits**. These blocks may be a little farther from your destination but likely have more parking available, making it easier to find a spot.

Park it.

◀ PRE-PAYMENT OPTION

Parking stickers for the following morning are available **starting at 10 pm** the previous night. Go home by cab or bus and retrieve your vehicle the next morning.

◀ PAY BY MOBILE PHONE

The City is adding **pay by mobile phone** features that will allow you to pay for parking by phone – you can even add time or receive notifications that your time is almost up. Look for this new feature this spring.

In 2012, SDOT worked with the Chinatown-International District (CID) neighborhood to more fully understand parking demand and how customers and visitors access neighborhood businesses. A customer intercept survey was performed, and SDOT collected parking data in March and October. In March 2013, SDOT will change CID parking rates and hours in response to the data and what it shows about parking demand. In the outer area of the CID, on-street paid parking hours will be moved back from 8 PM to 6 PM, and rates will be lowered to \$2.00/hour. In the inner retail core area of the neighborhood, rates will be reduced from \$2.50/hour to \$1.50/hour from 5 PM to 8 PM. In this retail core area, daytime rates will remain at \$2.50/hour from 8 AM to 5 PM. SDOT will collect additional parking data within 6 months after these changes take effect.

2012年，SDOT與 Chinatown-International District (CID) 社區合作，以更全面地了解社區停車需求和客戶及訪客如何出入社區商鋪。SDOT 進行了一份客戶攔截式調查，並於3月和10月收集了停車數據。2013年3月，SDOT將根據數據表明的停車需求改變CID停車收費和時間標準。CID外圍地區街上付費停車時間將從晚8時調回到晚6時，停車費將下調到2美元/小時。社區內的核心商業區晚5時到晚8時的停車費將從2.5美元/小時下調到1.5美元/小時。商業核心區早8時到下午5時的停車費將維持在2.5美元/小時。SDOT將在這些調整進行後的6個月內再次收集停車數據。
