Premium 1.1 gpf (or less) toilets in single family homes, duplexes and triplexes with separate utility bills in Saving Water Partnership service area are eligible for this rebate. This program is subject to on-site verification of the purchase and installation of the product. I certify that I have read, understand and agree to the terms and conditions of this rebate program. The undersigned expressly agrees that Seattle Public Utilities (SPU) may inspect all qualifying toilet installations, that installation of qualifying toilet models may not result in lower water bills; and that SPU does not warrant any toilet or installation to be free of defects, the quality of workmanship, or the suitability of the premises for toilet installation. Funding is limited and rebates are available on a first come, first serve basis.
