

EMERGENCY WESTERN AVENUE WATER MAIN REPLACEMENT PROJECT

Construction update for January 8 to 14

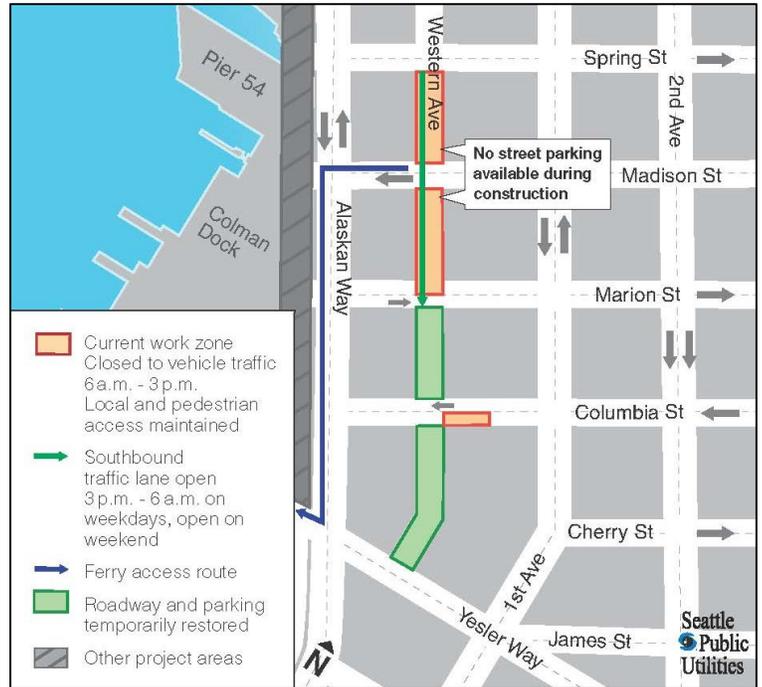

Emergency work continues on Western Avenue to replace a water main at risk of failure. From January 8 to 14, you can expect the following impacts in the project area:

CONSTRUCTION ACTIVITIES

- Work will occur on Western Avenue between Spring and Marion streets Monday through Saturday during the day.
- Work between Spring and Madison streets will include sawcutting for future service connections, excavating and installing new pipe with increased noise and dust.
- Restoration work and preparation for future service connections will occur between Madison and Marion streets.
- Seattle City Light will work overnight beginning at 7 p.m. Friday, January 8 until 7 a.m. Saturday, January 9, at the intersection of Western Avenue and Madison Street.

ACCESS AND PARKING

- Western Avenue between Spring and Marion streets will be closed to vehicle traffic from 6 a.m. to 3 p.m. on working days.
- One southbound lane will be open from 3 p.m. to 6 a.m. on working days, with some intermittent closures to accommodate work.
- Pedestrian access will be maintained.
- Large vehicles travelling southbound on Western Avenue should detour westbound at University Street and eastbound at Spring Street to avoid Western Avenue between Spring and Marion streets.
- Steel plates will be present on the roadway. Bicyclists should use extreme caution.
- Parking on Western Avenue between Spring and Marion streets is temporarily restricted.

Map denotes construction activities January 8 to 14.

Excavation work occurs on Western Avenue.
