

EMERGENCY WESTERN AVENUE WATER MAIN REPLACEMENT PROJECT

Construction update for February 18 to 25

Emergency work continues on Western Avenue to replace a water main at risk of failure. From February 18 to 25, you can expect the following impacts in the project area:

CONSTRUCTION ACTIVITIES

- Work will occur on Western Avenue between Marion Street and Yesler Way Monday through Saturday during the day.
- Excavation and service connections will occur between Marion Street and Yesler Way, with increased noise and dust.
- Some restoration work may occur on Western Avenue between Spring and Marion streets.
- Crews continue to connect customers to the new water main. The connections may require temporary water shutdowns. Affected customers will be contacted in advance of the shutdowns.
- If you experience issues with your water service, please call SPU's 24-hour emergency line at 206-386-1800.

Map denotes construction activities February 18 to 25.

ACCESS AND PARKING

- Western Avenue between Marion Street and Yesler Way will be closed to vehicle traffic from 6 a.m. to 3 p.m.
- One southbound lane will be open from 3 p.m. to 6 a.m. with some intermittent closures to accommodate work.
- Pedestrian access will be maintained.
- Large vehicles travelling southbound on Western Avenue should detour westbound at University Street and eastbound at Spring Street to avoid Western Avenue between Spring and Marion streets.
- Steel plates will be present on the roadway. Bicyclists should use extreme caution.
- Parking on Western Avenue between Spring Street and Yesler Way is temporarily restricted.
