

Directions to the Seattle Conservation Corps, at Sand Point / Magnuson Park

to pick up compost bins and rain barrels

Address: 7400 Sand Point Way NE, Seattle, WA 98115 **Phone:** (206) 684-0190

For driving directions from your location, try <http://maps.yahoo.com/> or <http://www.mapquest.com/>. Enter your starting address, and then enter the address above as your destination.

From I-5: Take the NE 45th St/UW exit

- Turn EAST onto NE 45th St (that's a right turn if coming off I-5 northbound, or a left if going south on I-5)
- Go east 1.6 miles, down the hill (long ramp down past University Village shopping center)
- Bear left as NE 45th St turns into Sand Point Way NE
- Continue north 2.0 miles, past the NE 65th Street entrance to Magnuson Park.

Alternatively, you can take the NE 65th St./Ravenna exit off I-5, and follow 65th St. east for 4 miles to Sand Point Way.

Enter Magnuson Park at the NE 74th St. guard gate entrance.

- Turn RIGHT into the park through the guard gate at NE 74th St
- Take an IMMEDIATE LEFT and follow the signs for compost bin pick-up
- Head north (straight) on this road, through the parking lots
- When you reach another arch, take a right (there will be a sign)
- Look for a building on your right with a staircase going up the outside
- Park in the lot below that staircase
- Go upstairs and down the hall to the Seattle Conservation Corps offices. (There is an elevator on the north side of the building.) **If lost, call the Corps office at 684-0190.**
