

Greetings Neighbors!

I rang your bell, and wanted to leave a note about the Adopt-a-Street group I am hosting right here in our neighborhood.

Adopt-a-Street is the City of Seattle program in which groups across our town get involved and pick up litter in their areas to help keep the city clean.

When citizens are up to it, the task can also include cleaning up graffiti and stenciling storm drains to let folks know they lead to The Sound.

I hope you'll help out! Our adopted streets are located at:

My name is _____

And you can reach me at _____

You can also ring my bell at _____

Our next clean up date is _____ and we will be meeting at

_____ a.m. / p.m. at the location of _____.
