Date: Monday, February 26, 2007

Time: 11:30 a.m. – 1:30 p.m.

Place: Bertha Knight Landes – Seattle City Hall

Seattle City Light’s Race and Social Justice Change Team cordially invites you to come and join in the celebration of Black History Month. This event provides us an opportunity to create an awareness of how past racial issues have impacted today’s society. Inequities based on race affect all of us, but together we can collaborate to eradicate institutionalized racism as we build on the past to create forward momentum.
