

CITY OF SEATTLE

Informix 4GL Developer

SALARY:	\$36.13 - \$54.20 Hourly
LOCATION:	Seattle Justice Center, 600 5th Ave., Seattle, Washington
JOB TYPE:	Classified Civil Service, Regular, Full-Time
SHIFT:	Day
DEPARTMENT:	Municipal Court of Seattle
BARGAINING UNIT:	Not represented
CLOSING DATE	Continuous

POSITION DESCRIPTION:

Join the Municipal Court of Seattle's Court Technology Team. Bring your database skills to support and remodel an Informix-based, custom case management system called 'MCIS.' This database stores the large volume of information required for the Court to adjudicate misdemeanor and gross misdemeanor crimes, infractions, and civil violations. This position will get you involved and by helping to provide access to justice through technology.

This position will remain open until a sufficient number of qualified applications is received with the first review of applications that are received by February 24, 2015.

JOB RESPONSIBILITIES:

- Develop/modify existing 4GL modules, database schemas, and Informix database procedures.
- Assist in the daily database administration activities such as troubleshooting performance issues, database changes and user management, and in the ongoing maintenance and troubleshooting of other production applications.

QUALIFICATIONS:

- Bachelor's degree in Computer Science or Management Information Systems or related field, or additional qualifying experience.
- Minimum of three years experience using 4GL in a UNIX environment.
- Minimum of one year experience using Informix database tools, utilities and UNIX korn shell scripting.
- Familiarity with UNIX (AIX 5.3) system administration.
- Strong oral and written communication skills in order to convey technical information to non-technical staff.

ADDITIONAL INFORMATION:

Desired Qualifications

- The ideal candidate will be experienced, independent, and highly technical, with a proven track record of developing Informix 4GL modules and procedures.
- Proven track record in administering a large complex Informix database.

- Experience developing in .NET environment.
- Ability to work as part of a team, flexible and creative thinker and a good big picture of general development and IT issues is a plus.

Position Details

- The full hourly compensation range for this classification is \$36.13 to \$54.20 and the Court anticipates extending a job offer in the hiring range of \$36.13 to \$49.00 per hour.
- This position part of a group that is seeking representation by a collective bargaining agreement. There is potential for this position to become represented by a union.
- A background check will be required for all candidates selected for this position.
- Schedule and hours are flexible.
- Visit www.seattle.gov/courts
